

Welcome to Art Night!

Celebrate the Visual Arts in SF Thursday night at Renovation by visiting with some of the finest artists in the field, attending panels, presentations, and demonstrations, or trying your own hand at the workshops and interactive demos.

Art Night begins with the **Chesley Awards**, across the skybridge in the Atlantis Grand Ballroom 4. There is a reception in honor of the nominees at 5 PM, with the award ceremony at 6 PM. After that, come back to the RSCC. **Meet the Artists** in the Art Show between 7 and 8:30 PM, go to C4 to hear Bill Willingham and Paul Cornell discuss **Many Ways to Tell a Story: Narrative and the Visual Arts** from 7-8 PM, stop in to see **Renovation Independent/Fan Film Festival Highlights** from 8 pm-midnight in D3, or enjoy the height of steampunk fashion at the **Girl Genius Ball** in C3 from 8 PM onward! Even the **Filk Jam** in A10/11 has an art theme tonight - explore it all, and have fun!
