Born in Lima, Peru, Boris attended the National School of Fine Arts in his native country before immigrating to the US in 1964. His mastery of oil painting is immediately & abundantly clear to anyone who looks at his work & his classic sense is as much homage to the old masters as it is to any contemporary artist working in the genre. For sheer dauntless bravura, few have ever pushed the limits as Boris with his beautiful maidens & fearsome monsters.
