The Queen Elizabeth 

World famous hotel in the heart of downtown Montreal. 1,200 guest rooms and suites. Twenty lounges and restaurants. Unique location linked to Montreal's famous "inner city". Hundreds of stores, restaurants, lounges and theatres to visit—without ever going outdoors. Choice of 22 meeting rooms (7 opening up to make a 15,000 sq. ft. exhibition area) plus 4 large exhibit areas on the same floor. Groups from 10 to 3,500 accommodated. Soundproof disappearing walls. PA systems. Session taping facilities. Closed circuit T.V. Audio-visual facilities. Largest room capacity: meeting: 2300, banquet: 1700.

THE HOTEL: The Queen Elizabeth, largest hotel in Montreal. Naturally, we'll have use of all convention facilities in the hotel, plus the experience of a capable convention management staff.

THE BID: Unlike other bidders, we think the city and the hotel do make a difference. That's why we're bidding for Montreal for '77. We plan more than another assembly-line convention; we plan a uniquely French-Canadian convention, with the traditions of the best in American world conventions, plus the distinct flavour of the great city of Montreal and French Canada.

THE CITY: Montreal, site of Expo '67; home of the 1976 Summer Olympics; a great metropolis, with a distinctive French influence. Second largest French-speaking city in the world; largest city in Canada. Great restaurants, great bookstores (pick up the latest in British and French SF), great place for a world science fiction convention.
