THE THIRTY-FIFTH WORLD SCIENCE FICTION CONVENTION

Phone: (609) 424 - 5120

Dear Fans,

Enclosed are the site selection ballots, and the 1976 Science Fiction Achievement Award (Hugo) ballots. They have unfortunately been delayed, due to protests concerning eligibility. And there are a few typo's on the ballot to make life interesting.

Also enclosed is a registration form for the overflow hotels. With the Fountainebleau near capacity, these are the hotels still available. We particularly recommend the Eden Roc, since it is a premier hotel and the closest to the Fountainebleau. Our current plans are to have the Art Show and fan activities in the Eden Roc. So if you are especially interested in these two aspects of the convention, we suggest that you make reservations at the Eden Roc as soon as possible. If you want to make the reservations by phone, call 800 223-6170, a toll-free number.

There are also available both pre- and post-convention tours to Disneyworld, Parrot Jungle, Everglades National Park and others. You can inquire about these at the same time.

With over twice the floor space of last year's convention and about the same attendance anticipated, there will be plenty of room to relax and enjoy ourselves. Both hotels are completely air-conditioned, and offer great convention facilities plus swimming pools, ocean swimming, and sun bathing.

Hope to see you there.
