SATURDAY

September 3, 1966

Good morning or afternoon as the case may be! SYRACON SENTINEL is being published here at the Sheraton by the Syracon Committee. We hope to give you up to the minute news, the latest changes in the program, and any other goodies that come our way.

NOTICE: Anyone with notices to publish please contact Dave Kyle, Jay Kay Klein, Jim Ashe, Ann Ashe, or George Heap (editor). We hope to have this ready for distribution by noon all three days!

## L I Q U O R

In Ohio, hard liquor and wine may be bought only through the State Stores which will be open on Saturday only (they were open yesterday too, but that's sort of incidental now.) The State Stores close at 7:00 PM, anyone planning on stocking up for the parties please note. This info was picked up at the Syracuse-Boston party last night at about 1:00 AM. Anyone planning on pushing the deadline on the State Store closings might do well to double check.

## B E E R

Available at groceries and delicatessens. On Sunday, 3.2% beer is sold under the legal delusion that it is non-intoxicating.

## F R I D A Y N E W S

We arrived late, so this is not all as complete as could be hoped.

The Syracuse-Boston party was held last night in the Terrace, about the best facilities I've seen for a party in quite a while. When we got there, the bar was under the control of the Misfits. Thank you Detroit! A good time was had by all.

Also Friday night, the Cult held a Seance. The less said about this, the better.

The Burroughs Biblios are having a luncheon about noon today~ (sorry, but I don't have the exact information on time and location.) The official money-taker for this is Marguerite Coriell but either Vern Coriell or Alan Howard should be able to give further information.

3:00 PM An advance showing of the TV Series, Star Trek, is being shown. I understand this is being cancelled from its original time.

10:00 PM to 2:00 AM - All you old-time movie serial fans please note that Tiger Lady is being shown, complete!
