## **An Indigenous Perspective:**

Did you know, Australian First Nations people make up the oldest continuous culture in the world, having been on these lands since time immemorial (65,000+ years)?

**Getting there:** Brisbane International Airport (BNE) has direct flights from many parts of the world including Asia, North America and the Middle East.

## A Worldcon bid!

Thursday 24<sup>th</sup> to Monday the 28<sup>th</sup> of August, 2028

It's time once again to bring **Worldcon** back down under. Under the auspices of the World Science Fiction Society (**WSFS**), we wish to showcase the best of science fiction, fantasy, and horror to an international audience.

Brisbane is the state capital of Queensland, the delightful Sunshine State of Australia.

The Brisbane Convention & Exhibition Centre (BCEC) sits in South Brisbane, right next door to the South Bank Parklands, and just across the river from the Brisbane CBD.

The Great Hall can seat almost 4,000 people, while the mixture of other rooms can seat even more than that in layouts that range from an intimate 50 people to a generous 2,000.

Brisbane (**Meanjin**) is on the lands of the **Turrbal** and **Yuggera** People.
