SCROOGE

SCROOGE is a one-shot created for the purpose of disposing of some items. Twinfold purpose — (1) to get rid of aforesaid crud and (2) to make a little extra cash for that sterling fan publication, Dream Quest. There are some mighty fine bargains here, in all sincerity — and there is some crud, too; you pays your money (I hope) and you takes your chances. Remember — money goes for DQ; it's for a good cause. You will note a great reduction from dealer/"garage" prices.
