

## Retro Hugo Awards

This is a list of fanzines from the year 1942, primarily from the Pavlat-Evans Index with supplemental research from my own collection, other bibliographies, and reviews. It is probably not complete but does include most, if not all of the major zines. The zines provided here can be used as reading material for the Retro-Hugo Award categories for Fan Writer, Fan Artist, or Fanzine. Zines that qualify for Best Fanzine will be in SMALL CAPS.
