Whose reality are you calling "theoretical"?

FAN MUSCLEGUY!

Upon hearing that Rich brown had actually torn up a recent issue of HABAkkUK...

Boy, WHAT A FEAT! and Rich and I are practically the SAME AGE!!

...actually, I DID it with A PAIR OF LAWN SHEARS

I DECIDED TO BUILD MYSELF UP... I STARTED IN INCREMENTS, WITH CONVENTION FLIERS...

...AND WORKED UP TO SPENT BRASS, A COUPLE OF ROGUE RAVENS AND APPARATCHIK...

...IT WAS HARD! BICEPS, TRICEPS, DELTOIDS... ALL NEEDED WORK! BUT SOON I GRADUATED TO ATTITUDE, RASTUS JOHNSON'S CAKEWALK, AND EMPTIES, ALL RIPPED LENGTHWISE!

BLAT! #4... AH, IT WAS WELL WORTH THE EFFORT!

A Great Breakthrough!! Then I moved on to my file of the original 1960s HABAkkUK...

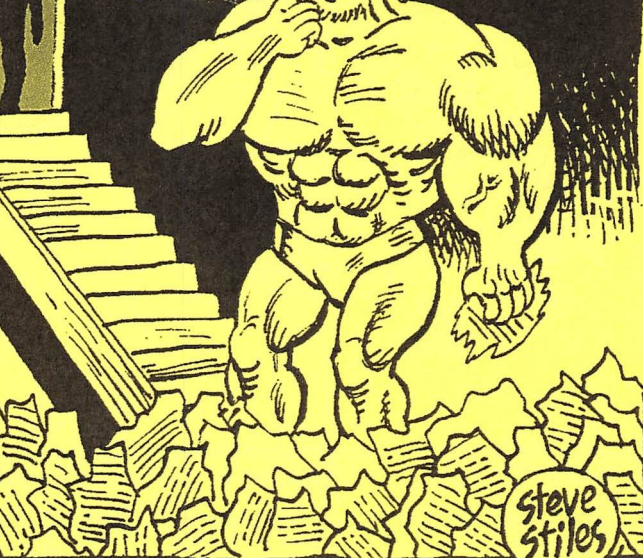

...Then my entire file of WARHOON, Climaxing with # 28!!

Next... 8 FAPA MAILINGS...

SAY, DID YOU EVER THINK OF USING A PHONE BOOK?

Elaine and I would like to thank the people in Corflu 50 who made this trip possible. During this year and the last one, that possibility was very much in doubt, and, although we are now out of those thorny woods, a trip to Vegas would've been a touch and go proposition. Many, many thanks!
