LynC passed on a recent advertisement for ANZAPA which appeared in 1991 New Moon Directory. They claim it contains such notables as Marc Ortlieb, Jean Weber, Eric Lindsay, Roelof Goudriaan and Terry Garey. Unfortunately only Marc, amongst those listed, is still a current member, and he only rejoined with this mailing. I will have to update the reference.

**Welcome (back)** to Marc Ortlieb who has taken out an independent membership.
