**THE NEW PRESIDENT IS (SURPRISE, SURPRISE):**

**\*\*\* BRUCE GILLESPIE \*\*\***

Bruce had a total of 103 points, with Roger on 66, David with 49, Jocko with 33 and Jeanne with 29. Other members who received votes, but didn't come in the top five in any category were: Marc, LynC and Clive, Lyn, Kim, Jenny, Linnette and Richard, Sue and Kelly.

(I forgot to mention that any votes for me would not be counted, but this was not a problem as it wouldn't have affected the overall result.)

=====

\* I tried to work it out so that a single issue could be identified, but found it impossible because a number of voters didn't specify which issue they were voting for. I don't think the overall result would have changed.

=====

SOME INTERESTING COMMENTS:

Jocko - "I did this because Cath thrust it into my hand and insisted. I had to vote for us because who else will."  
(As you can see from the results others did vote for you anyway.)

**FAVOURITE TYPOGRAPHICAL ERROR**

"I love All of them."  
"What? In this lot, you ahve to be joking, how the heck could I possible pock one out from amongst so many!"  
Titellation  
Clive Newall and LynX  
menaced out  
Roger's title - though that might have been intentional.  
"I can't comment - I'm an English teacher!"

**FAVOURITE ANZAPAZINE TITLE**

Quiet a few scored a mention here

- Fuffv - because everyone gets it wrong the first time.
- Singletted Profiteroles present . . . . - The longest title on record.
- Jan Kicked and Clawed Her Way to the Top \* - for the confusion it caused over Jan's name.
- Tisellation \*
- Megatheriums for Breakfast \* -because I live in hope of seeing non-Nesbit quotes. I've spent many happy hours torturing the words into something along the lives of "Meg, a fairy on ..." or "Mega, the um(s)pire ..."
- An Island of Dubious Sanitv in a Sea of Cannibal Yuppies \* - 'cause I feel like that quite a lot of the time.
- The OBE
- If you fuck with Anzapa
- Mv Butcher is a Scientologist \*
- Fan'attic
- Bury Mv Soul At Exit 63
- You really know you're home when you find a wombat in your bed \*
- Slavdomania \*
- Gobbets \*

\* Mentioned more than once.

The following responded to the poll, because they hold dear the responsibilities that go with the membership or because they were worried by my threat and/or plea. Only they know why they voted.

Gerald and Womble, David, Jan, Kim, Lyn, Alan, Clive and LynC, Jenny, Michael, Jocko and Marc.

WOW that's half the membership!

(I decided it was the president's duty not to influence the result by voting.)

Thanks to everyone who voted and congratulations to Bruce for being clearly the most popular ANZAPANI!
