"Well, when are you gonna raise the copy count so I can start contributing?", ask the out-of-towers among whom I'm attempting to solicit some new Apa L contributors. Forced to set a date, I am upping the number of copies required to 50 as of the last Dist'n of the year -- the 63rd, on December 30. That should give us plenty of time to use up all those issues of HOMBREN that Rich Mann prepared in advance.
