Differential is a monthly amateur
magazine (one of the smallest in
the world) published independent-
ly by S. W. Paul Wyszowski for
his own pleasure and not necess-
arily that of his readers. Theor-
etically the price of a single
issue is 2¢ but there are some
400 people the world over who get
it free anyway. Comments and con-
tributions are welcome but because
of size limitations only a few can
be used. - SWPW
