

the F.A.L~T. ANNEX

Whole Number 2

FAPA

July 1943

Here's another Post-Mailing. Of course, we are no longer Official Editor, and we have no real right to send this out, but it has to be done when a member wants it done bad enough to shell out the money to pay for it. As the stuff was all in our hands, it was easier for us to send it out than to send it to the new OE. There's always the possibility that the new OE will get jealous over our invading his department. Maybe we can even drum up a nice interdepartmental dispute like the big boys have in the Federal Government. Won't that be fun?

Now remember, all of you, any dues, publications, etc., (including changes of address) should be sent to the NEW OFFICERS.

NORM STANLEY, 43A Broad St., Rockland, Maine, is the new Secretary-Treasurer. Dues and new addresses go to him. Also applications for membership.

ROBERT D. SWISHER, 15 Ledyard Rd., Winchester, Mass., is the new Official Editor. Send your fanzines to him. Also order any back copies from him.

NOW DON'T FORGET THAT, OR PAPA WILL HAVE TO PUNISH!!!!!!!!!!!!!!!!!!!!

You probably already know it, but the amendment to increase the membership limit passed. That means you'll have to figure on running about SEVENTY COPIES of your FAPazine from now on. That's something else for you to keep firmly in mind.

NOW COMES THE FUN!!! We've got a new Official Editor. So we simply must give him a proper initiation. So here's how we'll do it (I hope). Every last one of us will make it a point to have a mag in the Fall Mailing---at least one. We'll do it if it's the last thing we ever do. We'll wear our typers and mimeos to the bone, and stretch our spare time to the breaking point. But we'll make damn certain we have something in the Fall Mailing.

THEN WE'LL SIT BACK AND GLEE in the approved Tucker fashion. We'll just chuckle our fool heads off picturing Bob Swisher as he staggers, simply STAGGERS, to the Post Office with all that load. And believe you me, I mean STAGGER! I speak from experience. But I never toted a mailing with everybody represented. I wanna wish that off on Swisher. Get right in there, now. Swisher's gonna look mighty cute running around bowlegged the rest of his life!
