## SMALLEST QUEENS SFL MEET- -ING MOST ENJOYABLE!

### NEXT REGULAR MEETING MARCH 2ND

#### ONLY 12 ATTEND EMERGENCY SESSION!

An emergency meeting of the Queens Science Fiction League was called to order on February 16 at 4:30 P.M. The purpose of the meeting was to reorganize the chapter after the sudden resignation of the Director, Sec'y-Treasurer, and Librarian.

Present at the meeting were Mario Racic, Jr., Frances Sykora, Sam Moskowitz, Leonard Grunbery, A. Hendriksen, M. Claasen, Bob Thompson, Mr. and Mrs. Will Sykora, Jim Taurasi, Helen, and Kay Brickman. Will was Temporary Chairman and Mario Racic, Jr. was appointed to act as Temporary Secretary-Treasurer. Since a quorum of the entire Chapter was not present no official business could be conducted, but the following actions were voted as binding upon the members present.

A motion to collect dues for the emergency meeting was carried. Total dues collected was \$1.10. After an absence of almost a year, James V. Taurasi was accepted as a new member.

Discussions on the resignation of Mr. Tiger, Director, and Mr. Feldman, Sec'y-Treasurer, were tabled until the following meeting. The telephoned resignation of Mr. Studley, Librarian was also tabled. Mr. Studley resigned because of having obtained work (next column)

### STIRRING SCIENCE & COSMIC STORIES REPORTED TO BE SUSPENDED

We have recently received a report from a usually reliable source that ALBING Pubs have suspended the publication of STIRRING SCIENCE STORIES and COSMIC STORIES. This report, however, remains unconfirmed.

On February 12, the editor of FANTASY NEWS sent a special delivery letter to Mr. Jerry Albeft, Editorial Director of ALBING Publications which read in part:

"Just as I was about to seal this letter, I received a rather frantic report from one of my reporters that your magazines have ceased publication. Although this seems preposterous, the source of this news is usually so reliable that I am taking this opportunity to ask you if you would kindly affirm or deny this rather sensational report."

So far nothing has been heard from Mr. Albert although an effort is being made to obtain a personal interview. It is to be understood that the above report is published merely as the opinion of the reporter who sent it in until such time as we are able to obtain an affirmation or denial of it direct from the source.

## BOOST SCIENCE FICTION

EDITORIAL by Will Sykora.

It is really remarkable how true friends turn up in emergencies. Take for example, the Queens SFL meeting of last week. The weather was fine. Therefore the tendency for everyone to travel up to Boston for the Stranger Club's Eastern Staff Conference was great. The day was an off-Sunday. Therefore members probably already had that reserved for something else. The meeting was in a private house--another reason for poor attendance. And yet more than enough people showed up so that we were still over the minimum required by our charter. What is more, we all had a swell time. We don't know whether it was the coffee and cake, the old-time movies, or just the general all-round friendly spirit, but several of the members said that they had a better time at this small meeting than ever before. We believe you meant it, Friends, and we will try to outdo ourselves to make the next meeting on March 2nd, even more enjoyable.

QUEENS SFL MEETING Cont'd from C.2:

Mystery" a cartoon, and "The Last Performance" a melodrama of a mad magician with Conrad Veidt.

Open discussion continued around the refreshment table, where coffee and cake were served until 9:30 P.M.

The next meeting will be held on March 2nd, Sunday Afternoon, at 3:00 P.M. SHARP. The meeting place will be announced in our next number. All Metropolitan fans are welcome.

QUEENS SFL MEETING Cont'd: which took up all his time on Sundays.

Acting Chairman Sykora gave a brief resume of the history of the Queens Chapter from its founding by Jimmy Taurasi, the advent of the Futurians, the change of name to Greater New York SFL, the breaking up, and the reorganization as the present Queens SFL under certain rules put out by Mr. Leo Margulies, Editorial Director of Standard Publications, and explaining why the action was taken at the last meeting which resulted in breaking up the meeting. Sykora apologized for his actions in the matter.

A discussion on the subjects of guests who might be annoying to some members resulted in a motion by Leonard Grunbery as follows: "If at any time, any member has any objection to some visitor, he shall file a private protest with the Secretary, who shall request the visitor in question to leave because said visitor's presence has been objected to. If the visitor refuses to leave, he shall be offered the alternative of a ballot on his admission or ejection following the usual procedure for acceptance of candidates for membership, to be taken as the immediate next order of business." This motion was carried.

Next in order were the motion pictures. Shown were "Flying Elephants" with Stan Laurel & Oliver Hardy, "Alice's Mysterious (Col. 1)
