Steve Stiles for TAFF!!

I THINK IT'S THE APRIL ISSUE of IF that has a column by Lin Carter on  
the Nycon, which I haven't seen yet. It has, however, been revealed to  
me that if you get a strange sense of double vision while reading it,  
don't worry. Somewhere between point A and point Z wires got crossed.  
So if you don't happen to decide to send in your money for the Nycon  
until you come across Lin's article, bear in mind a couple of minor  
inaccuracies that have crept into it. The true facts are: Memberships  
in the Nycon cost \$1/foreign, \$2/nonattending, \$3/attending, not a flat  
\$2 rate as in the IF article. Checks shd be payable to NYCON 3, and  
addressed to Box 367, Gracie Square Station, New York, NY 10028.

Or you cd walk up to, oh, Andy Porter or John Boardman at the ESFA  
meeting, and buy direct. Save Postage. Hey!

The rest of this issue is devoted to a nonprofit message:
