

Home with the Armadillo #52 is brought to you by Liz Copeland of 3243 165th Ave. SE, Bellevue WA 98008. Phone number is 425-641-0209. Email is received at lizc@nwlinc.com. Started in March 2002, for SFPA 226.

Normally, I would have another quilt for the cover this time. But, I was pushing the deadline (March 5) so bad that I had to drive the quilt to the woman who was supposed to get them before I took a picture of it. They're going to get professional photos done and send me a slide and I'll put a copy of it thru SFPA when I get it.

And I was planning on having a second quilt done by now, but Jeff went to Japan and India for 3 weeks. I had to get up early to drop JJ off at school so of course, I had sleep problems. I'm beginning to think that if the neighbors have pasta for dinner, I'll have sleep problems. So, you'll see a quilt next time, if the person who will own it agrees to my running a picture thru SFPA.

The quilts weren't the only things that didn't get done on time. My sfpa zine also didn't get done. I'll do a bigger zine next time, but no promises on the comments as I'm trying to get a business going here and it's sucking up my energy big time.

Here's some of the comics I clipped to go in the zine that didn't get done. See ya in 60.
