

Dwain Kaiser---1397 North Second Ave., Upland, California.....BPP 70¢ I've lost count of my BPP numbering, as usually I do every ten or so fanzines....I'm catching up with you Rich Mann, Len Bailes, I'm catching up with you.

For the one shot fans out there you might be happy to learn that the one shot is coming along fine....that I even have some of the pages run off already (thanks to the kindheart of Fred Whitlege, and his schools ditto, paper, etc.) Give me about three or four weeks more and I'll be handing out copies at the meeting. I haven't figured out yet if I should run it through APA L or not, I'm tempted, because most if not all of the people who would get it anyway are members, but I doubt that. I only plan on giving out one copy to the people who worked on it, not three like I thought in the beginning (I could give out three, but in that case no one else would receive any, something I wouldn't dare try to get away with now that I attend ~~APA L~~ LASFS meetings).... I haven't decided if I'm going to charge for them (to the people who didn't attend the one-shot party, and didn't contrib) or not. If I do it'll only be some small sum, more than likely something like 15 or 20¢, that way I'll have some money to pay for postage for all the copies I have to send out to non-LASFSans. The people who have already paid the postage on the zines will receive them first class (like most of them paid for), quickly.. as soon as it is run off in otherwords, not a day later (well...maybe a day, but you know what I mean). I thank you too, money is something nice to have, useful when pubbing, and that post awfuls are fussy about receiveing it when you send something out by them.

LEN BAILES: Well I've finally met you, and I'm glad you that you won't be telling the outsiders what LASFS meetings are really like..... For awhile we were worried, but if you made a move in that direction we have a committee set up TO GET RID OF YOU. Of course we'd feel sorry about getting rid of such a ghoud APA Ler, but the outside world mustn't know what ~~APA L~~ the LASFS is like. That is the reason why the meetings change before a Con, too many outsiders around for us to.....or even get away with....
..... Now you understand of course.

(outsiders....) the words above, telling about the meetings have been removed from your copies, I'm sorry about doing this, but you wouldn't like what the LASFS members are reading right now anyway. It's for your own good, and I hope you understand that.

JACK HARNESS: You dirty..... You have no right to publish a fake issue of one of my fanzines. That is going overboard, and is awful mean. I mean, can't you understand how I feel about it, after all, it even read like I wrote it. But of course that is impossible since all LASFS members know I'm always broke, and never run anything off by mimeo, except by John Kusske, Jr. once in a rare while. If you were going to do a fake copy of my fansine you should have at least done it in DITTO.....

The publishing of my fake ~~Y231/10001/01/111/010101~~ THE DEATH AND THE BNF was of course the reason you didn't show up to the meeting the week after. You knew I'd be there, and you just couldn't face me could you. Jack, I'm almost sorry for you, high IQ and all (unlike you my I.Q. goes down each week, or at least each week I type out a APA Laine).

TED WHITE: The back page should keep you bappy for awhile, it is from the one-shot, something to wet your thirst you might say (now watch me go ~~GAFFIA~~ GAFIA one-shot pages and all).

Are you ah....happy? Now when am I going to get that two cents a word you promised me for publishing a ~~sexz~~ story of yours?

MOTHER GODDESS: Now after me say: "DWAIN KAISER NEVER LOSES AT CARDS..... DWAIN KAISER NEVER LOSES AT CARDS..... DWAIN KAISER NEVER LOSES AT CARDS....." By the way when are you going to start to work on me.....Fred and Berry are all right and all but gee, there's so much more of me to win over to your side.....
