KAPA is open to any Kentucky fan and to other interested fans at the general discession of the membership. There are six mailings per year with the deadline for each mailing on the last day of each odd-numbered month. As stated on the contents page the deadline for mailing #46 is September 29. MINAC is a zine of any sort, or a cover in four out of the six annual mailings. The number in paranthesis after your name are your contributions this year to date. Copy count is 15.

Dues for KAPA are \$3.00 per year plus expenses for postage and envelopes. To find the state of your account take the number to the right of your name and subtract the cost of this mailing as seen on the envelope. Mailings will be sent first class unless you tell the OE otherwise.

OK, this is the third and final time I am going to do this mailing's OO page. You guys have had an uncanny ability for submitting late mailings on the day I was collating the mailing. I am happy, however that we have another well represented mailing, and another new member! In moving the deadline for #47 to December 1 hopefully will give more time to get a mailing together through the Thanksgiving weekend. Please note that mailing #50 rapidly approaching. If any of you have any ideas on how to celebrate this milestone let me know. I have some ideas, but I would very much like to get your input before it is too late to arrange for something special. See you in sixty.
