KAPA is open to any Kentucky fan and other interested fans at the general discretion of the membership. There are usually six mailings per year. As stated on the contents page, the deadline for the next mailing is **January 15**. The schedule for making KAPA line up with Rivercon is as follows: #98: March 31; #99: May 31; #100: July 31 (the Saturday of rivercon). This means there were only five mailings this year, so I dropped minac to 3. MINAC is a zine of any sort, or a cover, in four three out of the six annual five 1998 mailings. The number appearing in parenthesis after your name indicates how many mailings you have contributed to this year. Copy count is 12.

Anyone who has been a member for at least one year and is in good standing may, upon request, be placed on sabbatical for up to one year (six mailings), during which time they may receive issues for mailing cost plus \$1 each. The copy count will be kept high enough to ensure there are sufficient copies available.

Dues for KAPA are no more than \$3.00 per year. In addition, you send money to cover mailing costs. Mailings are sent first class unless you tell the OE otherwise. You may be able to save a little \$\$ by having me send third class, though for a typical KAPA mailing first class rates are the same as third. Envelopes cost 5¢ each. To find the state of your account, take the amount shown opposite your name and subtract the postage for this mailing. Each month, a member who sends both a cover and a zine can get their mailing costs paid for by the OE. In case of multiple entries, the OE has the final choice. Unused covers may be held over for later mailings, or else just put on the front of your zine.

Not too good a showing this time, and I'm really sorry that Joel has dropped out. I hope he is able to free up enough time to consider joining us again someday. Also effective with mailing, Betsy has asked to be placed on sabbatical. From her description of her commitments, I can certainly understand her not having time for KAPA. I trust she will return once things get a little less hectic for her. Meanwhile, the rest of us need to muster the energy to keep this thing going, especially now that we're so tantalizingly close to mailing 100!

The following back issue of KAPA are available, in the quantities in parentheses, for \$1 each, plus any mailing costs, all of which may be deducted from your account if you so desire:
