

THE OCCASION: SCIENCE FICTION BANQUET

THE TIME: 8:30 -- SATURDAY EVENING -- FEBRUARY 10, 1945

THE PLACE: PARK MANOR - 2200 WEST 7TH STREET - LOS ANGELES

Yes, that's what we've all been waiting for. A really big get-together of the Science Fictionists of the Los Angeles area. A swell fried chicken dinner will be served. There will be an auction and also an exhibit of fan material that will include the cream of the Los Angeles collections.

A souvenir booklet is being made up for the occasion wherein the program and a number of articles written by localites will appear. Already 25 persons on the list of possible-attendees have been contacted and 25 have put in their reservations. If you have friends you would like to bring along - Bring them. This banquet has a dual purpose. First: to get the fans together. Second: to introduce the subject of Science and Fantasy fiction to new-comers. This is not a closed banquet and we sincerely say, "Come one, Come all, everyone is welcome."

Please fill out the enclosed card and mail it once. It is essential that we know in advance so as to arrange for the proper number of persons.

Remember, this is the one opportunity of the year to see your science fiction friends together for a swell evening of gabbing.

Mark the date on your calendar. Send your reservation in early and plan NOW to attend THE FAN EVENT OF THE YEAR.
