LOUISE LEIPIAR

Her writing credits:

"The River"
"F l o o d"
"Chrysalis"
"Blight"
"Who's Zoo"
and
"THE THING"

Louise has appeared in the Magazine of Fantasy & Science Fiction, Amazing Stories, Avon Fantasy Reader, Marvel Science Fiction, Sir!, Los CuENTOS Fantásticos and Famous Fantastic Mysteries. "The Thing", which first appeared in our own club organ, Shangri-IA, as "No Name", has the claim to fame of having been published f i v e times to date!

Our three previous Author-Fanquets have honored E. Everett Evans, Jean Cox, and (jointly) Len Moffatt & Dave Lesperance. Louise is the first of these to achieve anthologization, with her "River" selected for inclusion in Wollheim's PRIZE SCIENCE FICTION FOR '52.

She has forthcoming "Holes, Inc." in IF, and--a surprise even to her--the new magazine Vortex Science Fiction will publish her "Fair Exchange".

Viva Leipiar!
