

14TH ANNUAL FANQUET—4-29-66

LOS ANGELES SCIENCE FANTASY SOCIETY

THE
LOS ANGELES SCIENCE FANTASY SOC.

PRESENTS

The Fourteenth Annual Fanquet

IN HONOR OF

BILL ELLERN

AND

TED JOHNSTONE

GUEST SPEAKER

Larry Niven

"THE DAGGER AFFAIR", written by Ted Johnstone under his legal name of David McDaniel, is the fourth in the "Man From U.N.C.L.E." series being published by Ace Books. It combines the characters established by M G M with the author's own personal whimsy.

"MOON PROSPECTOR", written by William B. Ellern, might be considered the author's tribute to Dr. E.E. Smith, taking place as it does in the latter's fictional universe. It appears in the April 1966 issue of ANALOG, which carries a cover, illustrating it, by Kelly Freas.

The Fanquet is presented at Paul's Steak and Pancake House, 1715 Silverlake Blvd., at 8:00 P.M. on Friday, 29 April, 1966.

Price: \$4.00

Fanquet arrangements made by John Trimble.

Begun in 1949, the LASFS Annual Fanquet honors members of the club who have entered the fields of professional writing or art during the previous year. This year's Fanquet is the third in the club's history to honor two members at once.
