....at least bimonthly.....
....\$2.50/6 or 50¢ or getting listed...
Some issues this year are combined with
SOUTHWING--a mideavalist zine.

There are still 80 or so copies of #29--the special FANSPEAK GUIDE issue. 50¢ like regular on that or 10/\$3.75 and you can resell the 9 extras as others have done. When I'm sold out, I'll do a revised & expanded edition. May be a year or so. Buy buy buy.

A "T" by your name on the address label means you got this in trade. A number means that number is your last issue unless you do something. A blank circle by your name means THIS is your last issue unless you do something.

I would appreciate NOT getting the following, no room: stuff on comix, games, nostalgia, westerns, mystery, and other material not in some way related to sf&f (SCA is fantasy in my definition--only brought into realworld). I'm pretty loose on what is related to sf tho. Also, can't run overseas stuff.

What art there is this issue is a combination of effort of Steve Beatty & myself. Cover by David Raines. TN-KY fandom takes over....

Following info was crowded off page 19 on convention info:

*KUBLA KHA! CLAVE #3(Upper South sf/r #5), c/o Ken Moore, 647 Devon Dr, Nashville, TN 37220. \$5. Light Programing. 200atd. May 1975 most likely.

JV Con(Juvinile Lit?)was c/o box 4156, Panorama City, CA 91412, Jun74 and may be held again in Jun75?

There are 5 regional OZ Conventions, all with info from Fred Meyer, address within. Escanaba,MI(Gillikin Con)May75. CastlePark,MI(EmreldCity Con)Late Jun75, HaddonTownship,NJ(Munchkins)13Jul74, BatonRouge,LA(Quadlings--see SFC roster for the Rossman's address)3Aug75, and the big(100 or so people)con at Cambria Pines Lodge(room part of con registration--\$50?)16-18Aug74:Elsa Wentler, 725 Creston Rd, Berley, CA 94708(Winkies).

Due to numerous problems, the chief of which is that there are simply too many fanzines, these are no longer even an attempt at review; just listings. Comments are given only if the zine is unusual, outstanding, or...I have room. Zines are listed in order of my preference. Zines are only graded against other zines of the same type except for "Best-of-the-Batch" ~~reviewed~~ listed each issue of MAYBE. This time I'm also going to try to grade them; an "A" is "outstanding," a "B" is "good", a "C" is average, a "D" is poor, a "W" is "Too wierd to figure out," an "I" means "first issue" or some other bar to grading, and an "F" is "not reccommended."

When judging zines I take into account first how interesting and/or informative the zine is. Some form of organized exposition helps. Variety helps. Good artwork doesn't hurt. Rambling borelingly for the sole purpose of filling space hurts. A larger zine has some advantage but not much.

The groupings themselves are in no special order.

Again, to save space, I'm putting in a code system for formats. Unless the format is unusual, the following will be used: "S" for $8\frac{1}{2}$ "x11" or 8" x 10" or any close size. "H" for zines aproximately half that size. "L" for $8\frac{1}{2}$ " x 14" or other more or less "legal length" zines. These three sizes, which might be refered to as standard, half size, and legal length, with slight variations caused by different paper companies or standard sizes in other parts of the world, make up the vast majority. "M" stands for mimeographed, "D" for ditto (spirit duplicator), and "O" for offset. Many zines contain some of **both**; unless it is several pages--not just a cover--most prevalent method is listed. "P" means printed and "E" means electrostenciled mimeo(tho sometimes it's hard to tell). I ignore printing quality unless it's outstanding or illegable.

If anyone gets confused, next time I'll put in a sample with explanation.

Please note that I sell off zines I get in trade except infozines and a few, very few, which I have room to keep. Up til now this has only been done if you caught me in person. Now, by mail, it's $\frac{1}{2}$ ¢ per "S" page or equivalent plus postage. First class postage is double third class cost which is about 10 "S" pp for 10¢ (or one international reply coupon). Add an extra "unit" for the envelope's postage and a couple possible blank pages in some zines. Minimum order is \$1.50(which would be \$4.60 with postage....) tho any MAYBE's you buy at 50¢ ea, 6/\$2.50, etc INCL postage will count towards making the \$4.60 minimum. Overseas people should pay in postal reply coupons or some instrument drawn in US funds. I assume 3d class unless told otherwise. List multichoice.

GROUP A: Genzines...general content and general purpose sf&f fan magazines.
SUBGROUP 1: Pure genzines...more or less balanced contents and/or variety of material.

artists rendering of an old F&SF cover(for "Operation Chaos"--one of the best).

BANSHEE(7), address above. 60¢ or the usual. 34pp/B/S/E, plus 4 sheets art.
Some of the best faan writers go all out to make something of nothing in this ish.
But then that's the art of fan writing. One article even gives instructions.

SUBGROUP 4: These are genzines with small percentage of articles/features,
and a large percentage of discussion--some on the features & some on other LoCs.
OUTWORLDS(18), Bill Bowers, box 148, Wadsworth, OH 44281. \$1 or by arrangement.
72pp/A/half of L size fixed so you have to fold the pages up instead of sideways
to your left as normal/M. The BNF's and Pros congregate in these pages to
praise Bowers' graphic(ugh) arts and sometimes to slash each other.
NOTES FROM THE CHEM DEPT(4,5), Denis Quane, address previous. 30¢ or the usual--
you can see rates rising all over, issue by issue. 14 & 20pp/A/S/E. Andre Alice
Norton and other authors/books analysed in #3, but by #4 the conversion to
discussion between the ed, the reviewers, and the authors is near complete.
GORBETT(5), The Gormans, 337 N Main St, New Castle, IN 47362. 50¢ or the usual.
24pp/A/S/M. This too is a discussion zine centring on a few opinion-type articles
and reviews BUT this ish is a collectors item: Harlan Ellison proposes marriage
to Sheryl Smith and is politely/graciously refused. Too bad, they'd've been nice couple.
THE ALIEN CRITIC(8), Richard E. Geis, box 11408, Portland, OR 97211. 70pp incl
bound in ACE CATALOG and other flyers/A/S/M&E. \$1 or blind luck(which is the step
between "by arrangement" and "money or equivalent effort only"--meaning if you send
him something he may behave like a fan...or like a pro publisher). This is
THE 3000(10 times most other fanzines circ)circulation zine where the Big BNFs
and all the noisy pros gather to slash each other, pet peeves, etc. plus more
or less normal reviews of everything & anything, articles--again by the pros
on the pros, and a strong streak of stuff on porn as well as sf. Also contains
near complete listing of names/addresses of pro pub houses using any sf at all.

BASTARD OF GRAFAN(1) De'v Hanke, Walt Stumper, et al, 8764 New Hampshire, SL, MO 63123.
28pp/C/S/M. 35¢ or the usual. Way way over into discussion and centered more on
comix/graphics than anything else too. StLouis based club/group does it.

The Siclari zine above, before I forget, is more or less a Tallahassee nongroup bit.
RETICULUM(1) also known as ADRENALIN(3), John Carl, 3750 Green Lane, Butte, MT 59701.
26pp/C/S/D. For the usual. Besides the usual LoCs, articles about LoCs & Ego-boo,
and ego boosting bits, there is an article by Marion Zimmer Bradley(now Breen),
noted pro. Only it is from 1958, before she was so much noted. And the amazing
part is that it is "reprinted from SPECTRE#3 by Bill Meyers of CHATTANOOGA" At
least 4 years before I got into fandom. Good grief--there was another fan there!!!!
Oh sure, the various Southern Regional Groups(it was SFG and Janie Lamb back then)
had some names--maybe Meyers was one of them--but no one who'd ever answer anything
I put out. If this guy is still in or near Chattanooga--I'll pay \$5 for a good
address on him!!!

SUBGROUP 5: Same as #4 but uses "Segmented Letter Columns" in which letters are
dismembered and reformed into sections by topic using the parts.
TITLE(23,24,25), Donn Brazier, 1455 Fawnvalley Dr., SL, MO 63131. 100 copy ltd

print run(he's switching back to ditto too) and the only way you can get one is to convince him you deserve a copy--no cash usually. 30,24,38pp/A/S/M. Most outstanding discussionzine extant in history. Keeps addresses and info on contributors and/or those getting the zine in print like a clubzine. Also carries regular letters, features(something like an article but requiring more explanation), and fanzine reviews, as in a "normal" zine.

AWRY(6), Dave Locke, 915 MtOlive Dr#9, Duarte, CA 91010. 50pp/B/S/M&E. By arrangement except first copy, sample, for \$1. More pretentious(unwittingly I'm sure) than TITLE. SUBGROUP 6 is a special category with one zine by itself:
TAB(12), Dave Jenrette & friends or their front group, International Endometrics Inc., Box 374 Coconut Grove, Miami, FL 33133. 32pp/A/4 1/4 x 7 1/2/C. This ish avail only to people who DDD'ed or came in person to thier NewYears Party(it's an anual special ish). Normally 20¢ or by arrangement. About 1/2 way a non-sf college humor zine.

SUBGROUP 7: Special purpose or "subfandom" zines. No two alike but the ST zines.
MUNICH ROUND UP(131), Waldemar Kunning et al, 8 Munchen 2, Herzogspitalstrasse 5. 52pp/A/S/O. 5 Internat Repl Coupons would probably get you one. German language. European fan news plus usual genzine features. Outstanding use of photos of fen!
THE BAUM BUGLE(48), Fred M. Meyers, 220 N 11th St, Escanaba, MI 49829. 40pp incl flyers/A/S/P(?) \$2.50/yr to join(3 BUGLES per year plus other stuff). Mostly oziana here.
FANTASIAE(9,10,11), Ian M. Slater et al(The Fantasy Assn), c/o box 24560, LA, CA 90024 1 free sample, \$3/yr/12 issues after that incl membership(which gets you other stuff too). each is 14pp/A/S/O. Publication centered group for semiclassical(Tolkien, Moriss Kurtz, etc rather than ERB and REH)and classical fantasy. Also news & info.

HAILING FREQUENCY(5 & 4 "double issue"), Patrick D. Bryan et al(Star Trek Fans United--one of the medium sized multichapter ST groups), c/o box 3139, Springfield, MO 65804(SW MO State U. area is HQ chapter) 50pp/A/S/O. \$5/year/6(?) issues. Pro printing, semipro art, semipro articles, and professional advertisements.
PORTAL(1), Henry Roll et al, 2419 Greensburg Pike, Pittsburgh, PA 15221. 26pp/B/S/E. 75¢ or blind luck. ST fanzine unlike would be prozine above. ST type material rather than articles on ST more prevalent here. Interesting to note the "Vulcan Mind Excercises" are a watered-down Industrial Engineering procedure.

GROUP B: Primarily fan written fiction. Most take some poetry & much art. Usually some feedback from other fan writers--not much--and fewer of these than you'd think.
SCIENCE FICTION FOREVER(oneshot), Burnett Toskey, 15520 Burke N., Seattle, WA 88133. 14pp/B/S/M. SAPS zine or blind luck. Amusing semi-parodys.

PROGNOSTICATIVE COGNITATIONS(1), Warren Johnson, 131 Harrison St., Generva, IL 60134. 27pp/C/S/D. 25¢ or the usual. Much poetry. A play also. Readable & slightly unusual.
RED PLANET EARTH(1), Craig Strete et al, 140 Meyer Av, Dayton, OH 45431. 27pp on 27 sheets(uggghhh)/C/S/D. \$1/years sub, but with the exception of a few zines like group A7, fanzines are rarely regular and a sub for a period of time is highly unwise. Also for the usual? American Indian*SF. Also readable and somewhat unusual.

ENDEAVOR(6), Kurt Erichsen, 1580 W Myrtle Av, Coos Bay, OR 97420. 100pp/I/S/D. \$1 or the usual. No S&S accepted. Massive size and faint ditto prevent reading except in small doses. Readable--but recommended only for would be writers.

*They claim to be Indians and have Indian names. If interested, ask them.

BRT VS FANDOM(5), B. Toskey, address above. SAPSzine. 68pp/?/S/M. Faan Fiction(?)

GROUP C: Zines centered on the publisher/editor and/or group.

SUBGROUP 1: Pure Personalzines, each one different as the person putting it out.

The top zine in this category sent me three issues--all with "Do Not Review" written on thme. You know who you are. There's only one person torturing me like this. Damn near the best zines of this batch too. How about if I note "not avail"???

VIEWPOINT(2), Jack L. Chalker, 5111 Liberty Heights Av, Baltimore, MD 21207. 6pp/A/S/M. SAPS, Fantasy Amateur Press Assn, a few cys on request, and probably cash. A zine by a professional historian and teacher who is also a semi-prob(tho MIRAGE PRESS is getting too big to call it that)sf publisher, this is THE model of a zine entirely of and for the pubbers personal opinions.

COLLECTOR(1-74), Howard DeVore, 4705 Weddel St, Dearborn, MI ZIP ng. 8pp/B/S/M. SAPSzine. COSWALZINE(215), Walter A. Coslet, box6, Helena, MT 59601. 6pp/B/S/M. SAPSzine. FSTS(unnumbered), Don Fitch, 3908 Frijo, Covina, CA 91722. 12pp/B/S/M. SAPSzine. OWLS ROOST(?), Anne Cox, 8846 Independence St, CanogaPark, CA 91304. 8pp/B/S/D SAPSzine.

All the above are unified pieces, more or less. The first is on fan activity(his), next on mundane APAs, the Toronto WorldCon, and the last on personal affairs.

SPYRAY/OP CRI FANAC(472)(yes, 472!), Richard Eney, 6500 Ft Hunt Rd, Alexandria, VA 22307. 20pp/A/S/O. SAPSzine. Comments on zines in previous SAPSmlg plus personal opinions on politics, fandom, and everything else plus special features dreamed up by Eney like an opinion poll sheet and also, something he specializes in: taking pictures from books, putting captions on them, and making a feature out of it.

OFF TO BOGCTA(oneshot), Joanne Burger, 55 BlueBonnetCt, LakeJackson, TX 77566. 2pp/B/S/M. N3F and other friends of the ed got it. Report about trip.

GEGENSCHEIN(12), Eric Lindsay, 6 Hillcrest Av, Faulconbridge, NSW 2776 Australia. 16pp/C/S/M. 50¢US or the usual. Talking about DownUnderFanFund.

SEPTENTRIONALIS(3), D.N.Hall, 202 Taylor Av, CrystalCity, MO 63019. 9pp & 9 sheets/C/S/photo-nonxerox-copied. Avail on request in very ltd numbers. Pers experience.

TEDDY BEARS SAPSZINE(unbrd), Roger Sims, 5713 Devonshire, Detroit, MI 48224. 8pp/C/S/M. SAPSzine. MlgComments, storyette, and info on Mich-i-con.

RAPPIN(8?), Ben Indick, 428 Sagamore, Teaneck, NJ 07666. 4pp--a sheet each-/C/S/phtod. RAPSzine. Conversation rather than just MCs to/with other pubbers(RAPS mbms).

WWW(unbrd), Jim Keith, 390 N.Euclid, Upland, CA 91786. 1½pp/D/S/M. The usual.

JELLYBEANJOURNAL(11), Nick Grassel, 205 E Parker apt A, CityView, SC 29611. 2pp/I/L/M. Mostly put out to announce change of address

SUBGROUP 2: APazines--that is mostly MCs to the other APA members, but not entirely.

DAWN(7.13), Susie Erlenwein, 4116 Watrous Av, Tampa, FL 33609. 14pp/A/S/O. SAPSzine.

The "cutest"zine, both in artwork and comments, extant. (& one of the few by femmes.)

COLOG(20)(equals -1.30103), Mike Wood, 1878 Roblyn Av #3, StPaul, MN 55104.

20pp/B/S/D. APA-45zine or by arrangement. The life & times of the ed & his apamates.

SPACEWARP(106), Art&Nancy Rapp, 1700 Park Dr, Baltimore, MD 21222. 16pp/B/S/M. SAPSzine.

The 27th anniversary issue(longest running zine now going?) incl very rare multi-colored mimeoed cover reprinted from his 1948 issue. Also nice faan fiction bit.

PORQUE(61), Doreen Webbert, 1415 Barcelona Dr., Akron, OH 44313. 12pp/C/S/O. SAPSzine.

DRIVEL, TWADDLE, AND POP(oneshot), Jeff Appelbaum, 5836 W 25½ St, SL Park, MN 5541b

52pp/I/S/D. Minneapa-zine. This is one of many zines to odd to describe.

DEVILS WORK(28), Norm Metcalf, box 1368, Boulder, CO 80302. 4pp/I/S/O. FAPAZine.

MAD MUSES(1), Pete Presford, 10 Dalkeith Rd, Sth Reddish, Stockport SK5 7EY,

Cheshire, UK. 4pp/B/S/M. ROMPAzine. UK apa-personalzine.

SUBGROUP 3: Larry Nielson, 2338 Telegraph Av #338, Berkely, CA 94704. Superpublisher.

When a guy/gal/entity sends one not just a series of zines, but a series of packets of zines for several APAs...and all of it interesting, not just comments to people for the sake of filling space or keeping a print-conversation going...that is a superpublisher. Nielson is probably the most knowledgeable person in the world on types, operating procedures, membership requirements, contact addresses, and other info on APAs. Of course superbubers do tend to have thier own idiosyncracyies, as you can see:

JANITRON(221 & 222 on base 3 numbering system), 6&2pp/W/S/D. ValAPA(small CA "valley" area centered APA)zine. History of the group & the club that started it in 221. MCs in 222.
SNAIL EXPRESS(141 on base 7 system), 2pp/W/S/O. APA L(LosAngeles SFS club/local area APA)zine. Psychic phenomena reprints. Not the usual type psychic stuff either.
GROG(19,22,23,24,26),2,10,2,2,4pp/W/S/D. RAPSzine. MCs and comments to provoke MCs.
SNAIL EXPRESS(122),2pp/W/S/D. Plaint on messed up numbering & usual interesting MCs.
LET THE MOONFLOWERS SHINE,PLEASE(2),1p/W/S/D. For APA-pi(Berkely centered group?)
JANUTRON(212),2pp/W/S/D. ValAPA. Talk to one person, but better than genzine articles.
TUAITHEAL(17,18),8,1pp/W/S/D. For N'APA(the National Fantasy Fan Fed APA).Most of space taken up by problems with the dictator of the APA and the secret society, ERIS(or HPIC)which backs him up. This would never have happened but for the fact membership is restricted to a group which is apathetic to begin with, and has no attraction to bring new people in.

SUBGROUP 4: Another person who is a special category all herself:
Mae Strelkov, CC 55, Jesus Maria, Cordoba, Argintina, produces untitled unnumbered zines or titles TINK and/or TONG. Page count varies around 10-20. Multicolored hectographed covers--easily the most beautiful fanzine art in fandom & mimeoed or hectographed pages a little over H size. Available only to persons she likes--prefereably for Letters of Comment. Besides being an international conversation(s) in print and containing the usual commentaries on life× of the author(in this case spanning several continents, a fair amount of time, and a ultrafanish life), there is a good bit on material on Chinese mysticism and other enlightenment. About 5 zines in this batch.

 50¢, 6/\$2.50, or sending something that gets you listed. Even numbered issues
 are listings of fanzines, info on fanac & SOURCES of info. Odd numbered issues
 are genzine, personalzine, letterzine, or whatever else the editor comes up with.
 Currently many issues are combined with SOUTHWING, the zine of the Mideavalist
 "Rebel Kingdom of the South." This is the only zine insane enough to do what you
 see done this issue. Here. Now.
 EVERYFANS GUIDE TO THE AUCTIONS(oneshot), Jack L. Chalker, 5111 Liberty Heights Av,
 Baltimore, MD 21207. 20pp/A/S/E. 50¢, SAPS, FAPA, free on request to bonafide con

 Bibliog of ref sources, encyc, lit, pbs, & sp pubers; story indexes, and other biblio-
 graphical, index, etc works on sf plus a list of titles which study sf. The
 only problem is that many of the items listed are very hard to get.
 THE NEO-FANS GUIDE(3d edition), Linda E. Bushyager, 1614 Evans Av., ProspectPark,
 PA 19706. 22pp/B/S/C. 25¢ only. Humorous guide to fandom written by Bob Tucker.
 After finally getting it I quit worrying about it and my own Fanspeak Guide
 competing--this is entertaining, but as it says itself, its purpose is "to help
 lead the sheep to the slaughter," while mine is designed to show them how to
 avoid the wolves.
 DIRECTORY OF STAR TREK ORGANIZATIONS(6), Helen Young, 13627 Tosca Lane, Houston,
 TX 77024. 12pp/E/S/C. 50¢. Names/addresses of nearly all ST pubs, clubs, companies, etc.
 WRITERS EXCHANGE(J-1), Art Hayes, box 550, Schumacher, Ontario, Canada F0N 1G0.

10pp/C/S/M. For membership in N3F Writers Exchange* or blind luck. Exchange is mutual criticism deal for would be pro sf writers. Gives much good info on both how to write a story and to criticize one. (10)

*You do not have to be a member of N3F to join most N3F activities. Write Art at above address if interested. He is the new Exchange Roster Clerk. Sharon White is the new head of the exchange per above pub. Alma Hill remains as advisor tho the health has forced her to step down as activity head.

Art is also publisher/sales for the SF COLLECTIONS INDEXES of the late Len Collins--50¢ for the 65pp version and \$2 for the 122pp version--to N3F members. Add 25¢ and 50¢ if not.

Hayes also sends out carbon letters to active and former active Neffers with such odd and interesting info as the following:

THE CANADIAN ZIP CODE SYSTEM

A is Newfoundland & Labrador	K is S.E. Ontario	S is Saskatchewan
B Nova Scotia	L outside Toronto area	T Alberta
C Prince Edward Island	M Toronto	V Br. Columbia
E New Brunswick	N SW tip Ontario (Windsor)	X NW Territories
G E. Quebec. H is Montreal	P N Ontario	Y Yukon
J W. Quebec	R Manitoba	total 18 areas(?!)

The next digit is a number which identifies a city or equivalent area. The third digit is a letter which identifies a specific area in that city or equiv. Then a number-letter-number indicates one section of a street between two intersections--one side of the street. Or one specific large bldg. IF anyone would send me an American, Br, and/or Australian version of above, I'll print. N3F BIRTHDAY CARD PROJECT (1974) Art Hayes, above address. 40pp (1 side of each page) D/L/M. Probably worth getting if you like to know about the oriental zodiac/astrological system. I will NOT tell you about the Birthday Card Project--write Elaine Wojciechowski, 4755 N Keystone Av, Chicago, IL 60680 if nutty enough.

BUREAUS AND PROJECTS OF THE N3F (1), Joanne Burger, 55 Blue Bonnet Ct, Lake Jackson, TX 77566. 20pp/C/S/M. for N3F mbrs only. Gives names/addresses of all N3F officers and a 1/2p to 1p of info on each bureau, activity or whatnot: Birthday Card Project, Collector's Bu, Corres Bu, The Directorate, Fanclub Bu, Games/Hobbies Bu, Ideas Committee, Info Bu, Kaymar Award, Manuscript Bu, Membership Activities Bureau (this zine is the official publication of that one by the way), N'APA, News Bu, Historian, Trader, Overseas Bu, Photo Bu, Pres., Publ Com., Recruiting, Round Robins, Story Contest, Tape Bureau, Teller, TNFF, Writers Ex., Welcommittee, TB, and SecTreas--not to mention the inactive projects & bureaus not listed which could, if anyone wanted, live again. Opps--missed one: New Fanzine Appr Soc. Also Wellcommittee.

ZINE REVIEW (2), Warren Johnson, 131 Harrison St, Geneva, IL 60134. 20pp/C/S/M. 25¢, RAPS, or getting listed therein. Same type zine as this MAYBE except I cover more stuff on some one page than he does in the entire zine. Which is not all bad--he still has room to comment at length.

Now we come to some real special, special purpose stuff. I even get some material which if I broadcasted, I wouldn't get any more.

West Coast Con Info and/or THE PASSING PARADE (his zine) can be had by crossing the palm or otherwise fanishly ingratiating yourself (a kind word never hurt) with West Coast Con Expert: Milt Stevens, 9849 Tabor St #3, LA, CA 90034.

The 8 Apr 74 edition of the NASHVILLE TENNESSEAN had some pictures and words on the Nashville SCA. Of course the reporter was lost in a time warp so that the words turned out what MIGHT-be, 2yrs from now, instead of what actually happened in the way of Mideavalist gathering in a large wooded park.

SUBGROUP 4: More or less put out for or by a club.
SOUTHERN FANDOM CONFEDERATION BULLETIN (10), Meade Frierson III, 3705 Woodvale Rd, Birmingham, AL 35223. 16pp/B/S/M. Possibly one issue free if you have an address in the ten state area we cover: TN KY VA NC SC FL GA AL MS LA. 20¢ or same in stamps will get you one issue to start with for sure. Otherwise \$1/yr for SFC membership with all memberships expiring the weekend before LaborDay weekend (which is DeepSouthCon), or you can get a free membership by consistently trading your fanzine with an address in the above area with Meade or ditto with info on a club/con/activity you are a leader of in the area. Some nice people really finance the SFC by donations--if you're in the area, the least you can do is keep Meade supplied with your current name/address and any info on local sf&f&related (ST, SCA, etc) activities. A \$1 is much less than the value of three-plus SFCBs you'll get per year which contain all info (current too) on all known clubs, cons, publications, and other fanac in the area... plus the roster of addresses of all known fen in the area (yes--a "withheld by request" for your name and/or address for the roster will be honored).

If you live on the borderline like WestMemphis, Arkansaw or Clarkesville, Indiana, but the center of the metro area is inside the 10 states (like Louisville or Memphis), you will be, at your request or that of whoever is supplying info on that area, be listed with the state across the border (like KY or TN). This also goes for Northern VA where the center of activity is DC/MD outside the area BUT in that case YOU have to specifically ask or join w/\$; you're better off in NorthVA too concentrate on WSFA (which along with the Baltimore group is a small regional organization itself and longtime friends with us down here).

You can also join and be listed "in absentia" if you have some connection with the area and join w/\$. Connection usually means you used to live there.

In SFCB 10 it says all SFC correspondence should go to Meade and not to the secretary, myself. This is because Meade gets the money, info/addresses, etc anyway, as he publishes the SFCB. And that is most of the club's business. If you can think of anything else--like questions on fanac not answered by the SFC HANDBOOK (a summary of the first 9 SFCBs plus more) or SFCB--or some project in the area you'd like to start and need help on--I can always be reached via mail thru ChattBkBg address--even if I'm really living in some other place as I usually am (I call my father every Sunday and tell him where to forward the mail...).

And lastly--we can use info/addresses on people/fanac inside the area from people outside the area. Half the reason SFC exists is because the only way you may ever meet the fan down the street is by seeing his address tag at a con 1000 miles away from where you both live. It's not unusual for someone in CA or NY to know something we would like to know about fanac/people in the South. These too are invited to send info to Meade. Meade is a superpublisher and then some--you'll be rewarded some way.

Hmmm...there is one more thing that goes here...there IS a NewOrleans bid for the 1976 WorldCon. Meade is on the committee. SFC is committed to support a Southern bid for the WorldCon with the goal of one in the area about every 6 years. But the NOLA CONCOM has pretty well sat on its rear end. I get sick of seeing every other fanzine and convention party be for the punny Columbus bid. I was just about disgusted when KC came up from nowhere and now apparently dominates the bidding--and they didn't even plan to bid til '79 (I could say more on that but I'd get someone angry). So, I'd like to point out that tho the other two bids are good at campaigning--if the NewOrleans Bid wins, it will be run with support from an entire reginn, much better set up than the OH group and with as much to work with as the KC group tho further spread out.

New Orleans is the place for a [DN] - not steak or corn!

THE NATIONAL FANTASY FAN (volume 34 number 1), Joanne Burger, address last section. (12)

Nashville, TN 37212. 8pp worth of 2pp flyers/W/S/X. If you show up at meetings
or the convention or ask for it, you'll get it. For a club as big as KC it's
odd--no contact with outside fandom except at conventions. The meetings tho
are much much better than any other club's. REGULAR meetings (there are many
others also) are 7:30pm the 1st Monday of every month (2d Mon in Sep due to
Worldcon) at the American National Bank on US 31 South (also known as Franklin
Road or 8th Av) across from the Melrose Theatre. In Nashville of course.

(14)

Altho Nelson & Co has an office in Nashville, primarily production facilities it appears, the 5May74 NASHVILLE TENNESSEAN announces a second publisher has started up in Nashville. Aurora Publishers, 118 16th Av S, Nashville, TN 37203 has Roger Elwood as editor thos--strangely enough--the article says submissions go to the Nashville office. The title story of the first volume is "Long Night of Waiting"--a new Andre Norton story. THAT, I'd like to see.

FANTASY HOUSE, Ken Krueger, 6045 Vineland Av, North Hollywood, CA 91606 sent a letter asking why I'd sent him a "trade" copy of MAYBE. He also sent the Feb74 newsletter of what Fantasy House is printing/selling--so I guess he answered his own question. They had "old time" type fantasy & sf, "underground comix", posters, and other stuff. An SASE ought to get the newsletter. //And no, Ken, N3F no longer sends "horrible" wellcome letters--if you want to rejoin--see elsewhere in this issue.

ADVENT, George Price, box 9228, Chicago, IL 60690 sent a flyer listing the numerous works ON sf, reference works etc it publishes--most of the stuff ECCE would be interested in comes from ADVENT or Jack Chalker's MIRAGE PRESS. One side of the flyer was devoted to explaining what would be in the three volumes of Tuck's ENCYCLOPEDIA OF SF&F--the first volume is \$20 and should be out now. An SASE will get your flyers/info from Price & Co.

SUBGROUP 3: Flyers on other projects, personal letters with info, etc.
CHUCK SAGLE, c/o box 2272, Nashville, TN 37214 has been passing out flyers
inviting contribs and subs to WORLDS OF PULP, a proposed fanzine. So far,
excluding the xeroxed club flyers and con flyers, and the two issues put
out by a hermit of a zine called AMBROSIA a couple years back, there have
been lots of threats to put out fanzines in Nashville besides MAYBE--I'll
believe them when I see them.

FANZINDEX,Keith A.Walker, 2 Daisy Bank,Qernmore Rd, Lancaster, Lancs, England,
sent a couple sheets for an index of all British fanzines from "the beginning
thru 1974". Then he wants to do one on the US--completing the "Pavlat/Evans
Index of 1952-9. He'll trade the index for your zines--or parts of the index
for all your zines--whooo boy. Part 1 to be out by Jun74 for 20pence.

CHAPS, Cowboys and Horses Amateur Press Society, has been formed by sf fen:
Dale A. Goble Jr, 8201 Valewood Ct., Orangevale, CA 95662. 4pp & 25 cys every
other bimonthly period to get in. All members take turns as Central Mailer.

DUFFUND NEWSLETTER(1,2),Lesleigh Luttrell, 525 W.Main, Madison, WI 53703.
2,2pp/C/S/M. \$1.50 to vote. 10¢/newsletter or larger donations. DownUnderFanFund
is a vote on which of three people nominated will be given the money collected
for transportation to the DisCon from Australia. They are also auctioning
off material by mail to raise money. Next year they'll vote on who to send
from US to Australia. As of April, about \$800 of the needed \$1200 had been raised.

Meanwhile, at NY's ST con, Carol Lynn got out Kraith Collected #2,
the volume that contains the ~~long~~ long-awaited FEDERATION CENTENNIAL
plus a reprint from BABEL of Ssarsun's Argument. Vol#4 of
Kraith Collected is now full and we're accepting contributions
to Vol#5 and #6. A second volume of the Kraith Creator's Manual
is being planned with a re-write of T'Zorel, the Kraith story
you reprinted some time ago, done by none other than Marion
Zimmer Bradley as a writing lesson (with comments about the
unfixable problems in the story-structure). Since all the Kraith
Collecteds are continually selling out, orders have to be
preceded by a SASE to find out what volumes are in print.

AT NY, we presented Hal Clement with a complimentary set of
Kraith Collected, and likewise for Marion Zimmer Bradley, so
Kraith Creators are getting some spotlight.

James K. Farley, Ferrum College, Ferrum VA 24088, wants to update COLES CHECKLIST OF ANTHOLOGIES & redo in some areas SIEMONS SF STORY INDEX 1950-68. Help asked for. Hope some of the others with similiar projects listed in this issue write him.

Stan Woolston, Pres of N3F, 12832 Westlake St, GardenGrove, CA 92640, wrote that Art Hayes is new head of N3F Publicity Committee...Janie Lamb, Martha Beck, & Sheryl Birkhead are to be hostesses for N3F room at DisCon--I read somewhere the DisConCom couldn't find anyone to be liaison for N3F--how come they haven't gotten ahold of Sheryl? In MD!!! Stan is sending N3F Story Contest blanks to all zines I list as carrying fanfiction to any extent. (Watch out Stan--they're not all in the FanFiction Group). It also appears I've been appointed to the Ideas & Publicity Committees of N3F. HA!! If I have any of either, I'll throw them in MAYBE.

((PLEASE. I DO NOT want to carry Games Info--send to Don Miller, address elsewhere.))

Barbara Greenfield, whose address has evaporated(try Allen's box #)sent some more on DSC74--she's secretary. Aknownledged. The Con WILL have nice people.

STAR TREK WELCOMMITTEE, c/o Shirley Maiewski, RFD box 501, S. Deerfield, MA 01373 answers all ST questions for SelfAddressedStampedEnvelope. They also put out the ST DIRECTORY OF ORGS (fr. Helen Young). Besides announcements for several projects I've run before and would not respond (so they don't get listed again), the same flyer from Jackie Lichtenberg also notes that NYC STAR-THE OBSIDIAN STAR, (25¢/2mo to join), is putting out a fancy SF/ST fanzine @ \$2/cy (\$1.50 if you get it in person) from Ms Germaine Best, 241 Brooklyn Av, Brooklyn, NY 11213.

The campaign to get a Star Trek movie made: write, on letterhead paper if you have it, a neat courteous bussinesslike letter in any case, to Frank Yablans, President, Paramount Pictures, 5451 Marathon St., Hollywood, CA 90038. Do not put any kind of ST or Gene Roddenberry stuff anywhere on the envelope or they will kick it to him. The idea is to convince Yablans et al they are losing money every day they don't get to work on an ST movie or new ST/decent-sf series.

DAGE CO (Fran Evans working for David Gerold), dept O, box 1190, Hollywood, CA 90028 sells tribbles, books, records, and lots of goodies you can't get, reliably, anywhere else. SASE for list. (The Trimbles, by the way, sell the Concandance to ST.)

Bjo Trimble's flyer also noted STAR TREK SONG BOOK, Ruth Berman, 5620 Edgewater Blvd, MN, MN, 55417--50¢. ...and.... Mr F.C. Durant III, asst Dir, Astro, Natl Air & Space Museum, Smithsonian Institute, WA, DC 20560 is in charge of a collection which will include ST items. If you want to donate something, write him with a description and/or non-returnable photo first. This collection will not be on exhibit for many many years in the future, if at all, being mostly for scholarly archives. It will include, hopefully, a complete set of ST film items, which may be shown, many many years from now. Bjo also reports that "negotiations" were under way in late April for an ST movie. Talk only. That's why the letters are even more important and the above message on them was reiterated. Roddenberry is supposedly going to "sneak up" on the public with SF TV-movies with "some" SF in them. We'll see. ((I still say the best bet is to raise the money among the new large numbers of fen by stock sale in a corporation to buy ST from Paramount--then make syndicated features like LAURENCE WELK, POLICE SURGEON, etc do, instead of fooling with the usual network bit.))

Pete Presford sent the address for ROMPA, sorry I'm too crowded to carry Br. info. Pete also sent a 2xS/slick printed order coupon for SF MONTHLY, the new British prozine. Someones wasting a batch of money.

NEW DIMENSIONS, 1137 Highland St (2d floor) Alington, VA, sells pb hardback sf&f by mailorder from box 323, Arlington, VA 22210 (from SOTWSFAJ) Flyer free on request. (fr Miller)

REALITY NEWS SERVICE FANZINE AWARDS, 793 Parklin Av, Sacramento, CA 95831, in conjunction with the Fres of the Sacramento sf group, SASSAFRASS, was offering a \$500 prize in their first annual fanzine contest with a 15 Jun 74 deadline. Anyone know who won or if they'll do it again? (from LOCUS)

COMPLAINTS ON DISCON II, if you have any, go, in writing to: Jay & Alice Haldeman, 710 3rd Av NE, Largo, FL 33540 according to LOCUS. Which zine also notes Kieth Laumer is trying to get hardback copies of the books he wrote--DEADFALL, STAR TREASURE plus a pb of EMBASSY. He's at box 972, Brookville, FL 33512, & tho LOCUS didn't mention it, it's one particular edition of these I think he's looking for, (he told me once). // An INTERNATIONAL CLASSIFIED DIRECTORY OF DEALERS IN SF&F BOOKS is being made up by Frank M. Halpern, c/o HADDONFIELD HOUSE PUBLISHER, 300 Kings Hwy East, Haddonfield, NJ 08033. Write if you want to be listed or buy the book. (fr LOCUS)

KARASS, Linda Bushyager, address elsewhere, lists pages of clubs--meeting dates/places, etc, and related info to long to reprint. She also prints CoAs. And she notes: N3F COLLECTORS BUREAU, Don D'Amassa, 19 Angell Dr, E. Providence, RI 02915 is again operating as a focal point for any fanca related to collecting. // A roundtrip charter bus from LA to DisCon II is being organized by Bruce Pelz, box 100 303 Westwood Plaza, LA, CA 90024. \$170 plus join IASFS Lv 26 Aug, return 4 Sep--probly sold out by now (30 seats) but maybe they'd put on a 2d bus. // Change of Hobbit Books, Sherry Gotlieb, has moved to 1371 Westwood Blvd, LA, CA 90024. // The Institute for Specialized Literature is an archive for sf&f books/zines/material. Dotations of material or \$ are tax deductible and go to Exec Sec: Ed Cox, 14524 Filmore St, Arleta, CA 91331.

Another charter bus to DC, 15 Jul last day to reserv seat, leaves from NASHVILLE TN on 6pm 29 Aug and returns Mon start 4pm 2 Sep. \$40 round trip with possible refund of part. Checks payable to Ken Moore, send to Carol Stafford, 1818 Wildwood Av, Nashville, TN 37212. Party/bar to be on this bus.

Meanwhile back in the South, SESTAR says Kevin Cook, 29 Low St, McDonough, GA 30253 has come out with a 125 ST zine. Send him SASE for info.

ROCKY MOUNTAIN HIGH (1,2), Gail Barton, 31 Rangeview Dr., Lakewood, CO 80215. 2, 2one side sh/C/S/O. No price listed, contrib of news WILL get it. Same as SFCB but for "Rocky Mountain States": AZ, NM, CO, UT, WY, MT, OK, NB, KS. The big project is ARFF, Area Regional Fan Fund--to pay con & banquet fee plus two nights room at Mile Hi Con in Denver: Doris D. Beetem, 4161 W. Eastman, Denver, CO 80236 in charge. Presumably after that they'd start collecting to send someone from CO to WY, NM, OK or somewhere in those 10 states where cons are held. (from Gail)

Speaking of funds, Bill Bowers et al report the Mae Strelkov fund had \$1351.65 when they decided they had enough. That was the special fund to bring Mae to DC.

Jackie Frankie, box 51A, RR2, Beecher, IL 60401 has about \$130 cash plus \$140 in bids on their auction (donations of material welcome) and will also need about \$1500--This is the TUCKER FUND. They're trying to export this notorious dirty old pro/fan to the AussieCon like Mae was brought to the US. A special zine, TUCKER BAG will be put out--to Jackie for info. (from Jackie)

I prefer these special funds to DUFF, TAFF, etc, by the way.

Special thanx to Ejo Trimble, Steve Reed, Devra Langsam, Lisa Ivey, Sam Gastfriend, Lou Tabakow, Larry Herndon & Dave Lillard for con info on next page--sorry it's so abbreviated. Also, on cons, a couple hassles should be noted: the original committee for STAR-Con has decamped--it's all Lillard's. And in NY, the ST Con committee has severed all relations, "won't pay debts", etc, from the original leader. The various parties might, or might not, be willing to discuss the problems. My solution is on page 20!!!

NOTICE WARNING NOTICE WARNING NOTICE

Effective 1Jan75, and I hope all the
other zinex, clubs, etc. repeat this and
pick it up; No convention with a probabl
attendance of over 1000, no fanzine with
a circulation est of over 1000, no club
with over 1000 likely members, and no
sales-operations of any size of a pro or
semi-pro nature...will be mentioned in
print or in person in either a favorable
or nuetral manner unless all announce-
ments on paper carry the following, and
anyone can check it out. Nor will I pick
up info from other sources unless they
attest the activity has complied.

"The (name of operation)
has on file with the (name of office)
BETTER BUSSINESS BUREAU at (address
of office), copies of all
advance material issued by us(me) as
well as the names and personal addresses
of all persons or groups who will get
any profit from this operation and how
much%. We(I) certify that the operation
(activity, whatever) will in good faith
attempt to comply with the Code of
Ethics of the BBB."

I'd just as soon, that if the above
is picked up by other zines, the source
of the idea is not mentioned--that may
encourage it to be come a widespread
tradition more quickly. Without going
into a long discussion, the idea is so
that all the transient fanac which has
grown to near commercial size will be
kept tabs on by an agency for that
purpose which has a nationwide
network for dealing with complaints and
questions. There is both more, and
less involved in this than it looks
like.
