

OF MEMBERS AND 'ZINES (AND EGOBOO POLLS) Feb. 1974.

The time has come to vote in the FAPA EGOBOO POLL again, and to encourage more FAPAns to do so, and to make it less time consuming to do so, this index was developed several years ago. It is published by Peggy Rae Pavlat, 5709 Goucher Drive, College Park, Md. 20740.

Within these pages you will find a list of the FAPA members for mailings 142, 143, 144, and 145. Note that the current mailing (146) is not included and that there will be more than 65 members listed. The individual's entire FAPA activity for the year will be listed by their name. I have attempted to include all of their activity within FAPA regardless of whether it was published in their own zine or in another fanzine sent through FAPA. In those cases where a magazine was franked, I ignored all activity of individuals other than members, but listed the activity of members by their name. Post-mailings were also included.
