

1988, February 1988, is contained
at the address: Physics of 1700 Gordon Drive, College Park, Maryland

of the index is to make it easier to refer to the
index which should be included in this volume.

I also design and include as Gordon Roll (but this year the
index would have had to be so late that I haven't had the time to

of authors and titles indicates the name of the journal, the date of
the article and the number of pages of each member's APA
activity, where it is published in that member's time or in another
member's. The index tends to ignore French material. Letters which
are referred to "Francis" or "Sharon" are likewise listed in
the index unless the author is apparent from the content.

of the right of the mailing date (Nov, May, Aug, Nov)
that the person post-mailed the material (X) to the mailing
in another person's name (let = letter; let = letter; let =
article - article).

of a journal is a member of APA and
another member included within the journal is indexed, the
journal is noted in parentheses immediately after the title
of the journal. If an activity is noted after a person's name, then
the activity is noted in the margin or postscripting.

about the entry which follows from
John Foster indicated that he, not Langford, was
the one who dropped Langford from APA
I will track this mailing down in the future
and my interest in this matter (at least in my satisfaction).
I tried to access last year's APA
I have had a decision that I made when we were moving
I decided that I
I have access to the 1988 TAPA mailing for a long
and messages were stacked in
I'll get to them when
are attached.

Association Science Fiction Review 20
(Second Series Volume 1 Number 1)

of individuals have held APA office during 1988 are
included in the index.

of the publisher question is what
the mailing tape in my collection. There seem to be
I hope Gregg is O.K. and
with an ailing view of the world.
