

# DIRECTORY TO LOS ANGELES FANDOM

JANUARY - JUNE 1973

This is the thirteenth issue of our regular semi-annual listing of those people currently most active in Los Angeles Fandom, or who, for various fannish reasons, L.A. actifans are likely to wish to contact. Compiled by FRED PATTEN, and printed on the LASFS Rex Rotary mimeograph, on December 27th, 1972. Initial distribution through Apa L, 398th Distribution. Additional copies for sale at 10¢ each. Salamander Press no. 643.

Telephone code: area codes alone indicate the number is unlisted. Room is left for those privy to unlisted numbers to add them. No information at all means we have no information.
