UNICON NEWS

The con will take place between 12.00 and 21.00 on Saturday April 30'th. Bob Shaw will be guest of honour. The film ULTIMATE WARRIOR has been definitely booked but we are looking for a replacement for FORBIDDEN PLANET as the accursed Beeb have recently screened it. The SF group at University College has recently restarted and we hope that with some help from them we can book more speakers without waiting for too many advance registrations.

There will be speakers from the TOLKIEN SOCIETY on the program as well as a fancy dress parade by the LONDON PLUS Star Trek group. Any groups or societies interested in program time or display stalls should write to the address given for SMALL MAMMAL.

Registration is 50p in advance or 75p on the day for students (75p and £1 for non students) to : Francis Folley, President SF&F Society, Bedford College, Regents Park, London NW1. Remember the more advance registrations we have the more events we can organise. The main hall will only take 400 people, be warned, book now.
