ran; 8 pp.; m.c.'s; editorial chatter); RATAPLAN #11 (23 pp.; m.c.'s; lettercol;

In Brief --

TWJ Status Report: TWJ #80 stencils still in hands of publisher (Brian Burley);
no word from him since Disclave (he needed paper then). 22 stencils for TWJ #82
(sent to art editor for stencilling) still missing; break-up of #82's dateable
material has started (fanzine section appeared in SOTWJ #96). We expect that #82
(if it ever gets out) will be the last issue of TWJ under our editorship....

For those who are wondering, WEIRD TALES #1 will appear in 3rd-quarter index;
we count "Summer" as "July-Sept." for purpose of Index. MAGAZINARAMA will also
reappear shortly, including only such 'zines as WEIRD TALES, VERTEX, and HAUNT OF
HORROR (since most of our readers indicated they already get the rest).

Oops! Almost forgot: Mailing #143 totals: 27 titles, 377 pp.).

Response from FAPA on "Dream" discussion was so poor we're dropping it. Our
problem is to find something which FAPA'ns like for these FAPA issues....

How about some material on Black Holes? Witchcraft? Nostalgia? Or what?

Am still looking for staff of Regular (every 2-5 issues or 1-2 months) and Oc-
casional (every 6-12 issues or 3-4 months) contributors for SOTWJ.

Only remaining Diplomacy-zine in our stable should have ended publication by the
time this is rec'd; this leaves us with SOTWJ, the remains of TWJ, THE GAMESLETTER
(games news/review 'zine), and (unless we decide to drop it, too) THE GAMESMAN (our
games genzine). Subs only for SOTWJ and TGL, ea. 25¢ ea., 10/\$2.

SOTWJ is at least bi-weekly; subs (for 3rd time this page): 25¢ (10p) ea., 10/\$2
(UK: 10/80p) or multiples thereof; all subs incl. any issue(s) of THE WSFA JOURNAL
(at least thru #82) pubbed during sub (count as 2 or more issues on sub, dep. on
length). For info on airmail, "Collector's" (3rd-class) subs, Trade-Subs, ads,
Overseas Agents (list in #95), etc., write the ed. See #96 or #98 for meaning of
Address Code.
