## SFPA FINANCIAL REPORT

Balance before mlg 235 sent out	\$278.14
Postage for mlg 235	-76.79
Income	+0.00
Balance before mailing 236 sent out	\$201.35

We went an ounce over 2 pounds on the last mailing, which accounts for the higher postage burn. It looks like we'll be about two ounces over this time. I'm happy to see the larger mailings, but wish postage came in smaller quanta.

## MISCELLANEOUS BUSINESS

- \* When you **overnight your zines**, please remember to sign the little "no signature required" box. There isn't always someone home to sign for them.
- \* Remember to send your January zines to the new OE, **Sheila Strickland** at 6204 Molino Dr, Baker LA 70714.
- \* As usual, I will put the table of contents from the mailing and contact information for me up on the **web**. See <http://www.alumni.caltech.edu/~copeland/sfpa>. (Internal network rearrangement at Caltech now makes the www necessary.)
- ▶ Even though the post-mailing was bodily included with the main mailing last time, I need to note that with the 19 page post-mailing to **mailing 235**, the revised page count was 371.
- ★ This month's **masthead** image is a detail of NASA's Big Blue Marble composite image. (<http://antwrp.gsfc.nasa.gov/apod/ap030426.html>)

## SFPA ROSTER AND WAITING LIST NEWS

As usual, copies of *The Southerner* will go to **Robert Lichtman**, PO Box 30, Glen Ellen CA 95442, and **Arnie Katz**, 330 S Decatur, #152, Las Vega NV 89102.

As detailed in the Egoboo Poll tally, Sheila Strickland will be assuming Official Editor duties with the January mailing.

## THE RULES OF SFPA

1. The membership limit is 30; we will reinstitute a waiting list when we reach that point. Copy requirement is two more than the current roster count.
2. Minimum activity is 6 pages of original and personal writing and/or artwork in every two consecutive mailings.
3. Dues are \$15 per year. Dues are payable by the deadline of the mailing listed by each member's name. Failure to pay dues on time can result in the OE holding the mailing until dues are paid. An envelope addressed to the OE is included as a gentle reminder in the mailings of those owing dues, though it is not necessary to return your dues in that particular envelope. (Please be so kind as to make your dues check out to me, since our bank has stopped being cooperative about depositing checks made out to SFPA.)
- 3a. Dues may also be paid at a rate of \$43 per year to receive the mailings by Priority Mail. (Currently Dengrove, Larson, Lillian, Strickland, and Wells are receiving their mailings by priority mail.) Because of the geographic relocation of the OE, the Priority Mail surcharge will probably be recalculated to be lower. Those receiving their mailings by Priority Mail should expect to receive e-mail from Sheila on the new surcharge.
- 4a. "It's not my goddamn planet, understand, monkey boy?"  
(John Bigbooté in *The Adventures of Buckaroo Banzai Across the Eighth Dimension*)
- 4b. No more goddamned paper cuts while collating.
5. It costs \$5 to join the waiting list and an additional \$3 annually to remain on the list. Waiting listers must respond to the OO at least once every other mailing. Mailings are available to waiting listers and other interested parties for \$5 each on a first-come, first-serve basis.
6. Cohabiting couples can share a membership slot. Each member must meet minac and each has a vote. But they share one mailing and just one set of dues is required.
7. As expounded in SFPA's constitution, the contents of each zine are the responsibility of the contributor, not the Official Editor, who doesn't actually exercise any editorial control, but only acts as a distribution agent.
8. Always read *The Southerner* or you may not know what changes the OE is making, or know where to send your zines next time.
