

#3 WEE TOME TIPPER 8/12

2¢ Ed: Liebscher-o-Mailer: Dunk 44

OUT OF THIS WORLD - Ed. Julius Fast

Published by Penguin Books, No. 537

A remarkably good collection of the

weird, fantastic and unusual. Con-

tains stories by Wells, Saki, Benet

Knight, Collier, Arthur, Bond, Dun-

sany, etc., a radio script by Arch

Oboler, and "The Scarlet Plague" a

short novel by Jack London. Also in-

cludes "The Canterville Ghost" by

Oscar Wilde, one of the funniest

yarns in the English language. Do

not let the movie prejudice you a-

gainst the story, the movie doesn't

do the story justice. Well worth 25¢

FORTHCOMERS: Next Avon Pocketbook to

be Merritt's DWELLERS IN A MIRAGE,

due on the stands by the time this

card reaches you. Arkham House to pub-

lish EYE AND THE FINGER, by Wandrei,

&, I shudder in anticipation, an om-

nibus of William H Hodgson stories.
