Some copies of Net Vremia #13 had a two page inclusion (Fort Desoto Park) taped on the back. However, since the required thirty copies did not have the inclusion, it is technically not an official part of the distribution.

For convenient reference, the table of contents for distribution twelve is reprinted on the back of this sheet.

Inclusions will no longer be listed as official parts of the distribution. Among the unofficial inclusions to this distribution is Alternative III (2 pp.) by Hank Stine. It was included rather than being stapled in because of improper binding margins.

To the table of contents for the eleventh distribution, add 0 #3 (1 page) by Dan Alderson. It was stapled last, following Therouanne #1. The revised page total for the eleventh distribution is 66 pp.
