Aussiecon Three

Tim Richards has taken over the Aussiecon Three Website, which should be available RSN at <http://www.aussiecon3.worldcon.org> but I keep getting an error message when I try it. Having given up on any hope of getting the Americans to send more copies of Progress Report 1, a reprint job has been done in Australia, and so anyone who has joined Aussiecon Three but who has not received a copy should get that Real Soon Now. Bev Hope has designed a new flier, but it has not been seen yet. In the meantime, in aus.sf, there has been some dissatisfaction expressed at Aussiecon Three's low profile. Old-timer Leigh Edmonds has delurked to support the committee.

Convention News

Niall Doran reports on Thylacon 2 " George RR Martin (subject to flight confirmation) is now a Guest of Honour alongside Leanne Frahm, while Neil Gaiman will be an Honoured Guest. The web page is under constant revision, and now includes full prices, the banquet menu, and merchant information. There is a registration form for the con, including hotel bookings and prices. The 1998 DITMAR nomination form (web version) will be updated very soon, while hard copies are winging their ways to various SF bookshops & cons as I type. The nomination deadline had been set as March 20, but has been extended to April 4 to allow votes to be received from attendees at conventions near that time (where they will hopefully encounter nomination forms). Given the delay in getting the forms out, this gives everyone a bit more time all round."
