LASFS APPROVES INCORPORATION

At recent meetings of the LASFS, the membership approved the articles of incorporation and a set of by-laws. These documents replace the previous Constitution and by-laws. The new by-laws follow very closely to the old ones, differing only as necessary to fit the new structure. The necessary forms have now been completed and sent to the state for approval.

AUCTION TO BENEFIT BUILDING FUND

The LASFS will hold one of its semiregular auctions for the benefit of the building fund (and the fund to pay the lawyer without touching the building fund) at the regular meeting, this Thursday, March 7, 1968. Paul Turner will bring material which has been carefully accumulated for just such an occasion. Do yourself a favor and help build the clubhouse at the same time -- bring money.

BOARD OF DIRECTORS MEET

The first regularly scheduled meeting of the LASFS (INC) board of directors was held Sunday, March 3, at the home of Chairman Bruce Pelz. The first order of business was the distribution of initial one, two, and three year terms; this was done by drawing lots. Discussion was then turned to projects which could be used to enhance both the prestige and the treasury of the club.
