

DEGLER! 83

is published by Andy Porter at 24 east 82 st., NY, NY, 10028 for apa F #61, apa L #47, and Lilapa #3.

I may be limited to one page; hence the squeeze down colophon up top. I have to get out a 2 page NY bulletin type of thing for the Noncon in Philly, which won't be going through apa L, tho probably through apa F. Well, Thursday I go to pick up the front and bacovers for Algol at the printer, and Frank Wilimczyk's long awaited article, too. And next week while I'm home I run it off. Then maybe I'll have time for 4 and 6 page apa F/L zines again. Maybe...

Andy Silverberg speaks his mind:::::::::::::::::::::::::::::::::::::apa F #60

Frank Wiggle: That's a nice, if quickly done cover, Frank, but what's with this apap F bit? Backwards that wd be F Papa. Now, this is a very clever ploy, I must admit, but Papa is dead now, so Maybe Not...

Lupoff's: Your paraphrase comes from the Island of Dr. Moreau, otherwise "The Island of Lost Souls, with good Ol' Charles Laughton, and Old Bela leading the chant.

Ted White: Thank you, Ted, for answering the question I asked in the very same apa F mailing, on #ed fandoms. When Fanac became diffused in late 1962 and finally died in late 63, wouldn't you say there was the beginning of a shift away from Fanac and to Xero which died because Xero was folded? It seems th-at this was the last major zine to have been a focal point of any kind in the last several years. Comments?

along the APALachian trail:::::::::::::::::::::::::::::::::::::apa L #45

Bruce Pelz: 10 Top Fans: Walt Willis, Terry Carr, Bruce Pelz, Ted White, Harry Warner, Bob Tucker, Buck Coulson, Dick Eney, Dick Lupoff, Bill Blackbeard, Anyone else?

Lon Atkins: Jim Sanders, of Fabulous Jersey Flats fandom, is too broke at the moment, or so I've herad, to do anyhting for anyone. I myself haven't seen him in over a month now. I wd advise you completely drop apa f, anyway...

Fred Hollander: Keep looking in your mailbox; I've sent you a copy of Algol.

Barbara May: I think I'll just call you "Barbara-baby."Cd you put 40 teeny tiny green bikini's through apa L? It wd be interesting, No?

Jayn Ellern: Thirteen, hell?! I is almost old enough to play all sotsa games with people. But not nit picking. There is a two week delay in answering comments, please realize.

Bill Blackbeard: Thank you muchly for a very interesting article.

Barry Gold: I was asking whether the genzine was dormant, rather than dead, which It can't be until none are being published anymore. And there are certainly several being bulished. We is just in a Interregnum, or Something, as Ted White, trufan, has seized.

Mike Klassen: If you are bitchy just to attract attention, then there's something wrong with you. Yes, you did come on strong; too strong, in my opinion. This can be forgiven as part of the over-reaction caused by the weekly apa's, but to be bitchy for ego-boo doesn't work -- it just makes you disliked for it.

This has been the smallest Degler! in almost 3 months -- if Fred wants to, he can run something off on the back of this thing. Well, keep your knees loose -Andy P.
