WE HAD A SPOOK HOUSE. or OH HELL, NOT ANOTHER ONE

The spook house this year was successful. I'm not sure of the profit
to the club's building fund as yet, but I should know by Thursday.
We had 422 people going thru the spook house, at 20¢ a shot. Total
income: \$84.40. The Committee to Keep the Park Happy, Subcommittee
to Haunt the House wishes to extend thanxx to: Everyone who helped,
especially people like Greg Chalfin and Tom Digby for their electrical
apparatus and know-how; Elayne, who made costumes, drove the committee,
and worked all night; Bruce Pelz, for his armorey and working thru the
night and the after closing party at the Tower; Sandy Cohen; Ellen Fox;
Lee Gold; Jeff Cochran; Vanessa; and The ~~ZØØØØ~~ ~~ZØØØØ~~ UNCLE crew all of
whom worked straight thru the night. We also want to thank people who
worked like Drusan, Ed Green, Barry Gold, Gary Lowenthal, Bob Hollander,
Phil Castora, Cathy Hill, Tom Locke, BG, Brillo, and Bill Weldon who
worked. Any one I forgot, please forgive me, we thank you too.
The Committee wants to grotch at: Those people who promised to come and
work and didn't -- without even giving us notice. This really doesn't
apply to the people we didn't get to contact until the last week or last
day before, but to those who were asked two, three, and even four weeks
beforehand, asked to make sure a couple of other times, and still didn't
show. YOU HAVE BEEN GROTSCHED AT. I'm tired.

DISTY COMMENTS

JUNE MOFFATT: What is balloon bread?///I too am sick of the happy face
buttons. My class has taken the name of (ugh) Kaheela-
wanie (nobody knows what it means, apparently). The
symbol is a pineapple with a happy face. Pineapples, yes! Smiling
pineapples, NO! The House of Pies has changed their symbol to include
a happy face.///I discovered yeasterday that one of the main Jesus Freaks
 has dropped from the realm of Jesus believing into becoming
an acid-head. I guess he wasn't happy with Jesus.///I finally
have realized that I know what HA HA HERMAN is. This mystery
about it is stupid.

JOCELYN WONG: I only havetwo dreams that I can remember. One involved
Forry's mother paying for a banquet for all the fans at
a restaurant. For some reason, about 50 fen were \$n the
restaurant. The other involved myself, Vanessa, Kiva, and Jeff and
Time stopping for everyone else.///The pope is on a number of items in-
volved with POVPEX-VEXOS.

ELLEN VIXEN: I rarely serve mayonnaise sandwiches, but closed face is
the only proper way. Open face is so primitive. ((I just
noticed something. Open face is fairly common. Closed
face feels odd and awkward. Does that get much usage?))
