This issue, hopefully, is the first of 1973's monthly to 6-weekly Replay schedule. Since work (the Dow strike) made it impossible for me to keep up any sort of ~~skksksksksksk~~ schedule last year, if you got this issue and the box on this page is not checked (~~skksksksksk~~ ~~kkksksksksksk~~), then you will bet at least three more ~~kkkkk~~ issues before the question of money comes up again. If the box is checked, this is a sample copy only.

According to my records, I owe tapes to the following people. If I owe you a tape and your name isn't listed, please let me know: Wayne Johnson, Randall Dunford, C Lee Healy, Marcello Truzzi, Dee Ragers, Donald S Pellow, Evan MacBride, David Grigg, Michael L Smith, George Beahn, and Ned Brooks. If you haven't received your tapes by the end of Feb, drop me a card--I intend to get them all copied by then. I also have lots of tapes that people have sent me to copy for the library, and I also intend to have them copied by the end of Feb and a supplement to the Tape Bureau Library catalog published to go out with the next Replay in Feb. I am very sorry that I have taken so long to get these shows copied and to ~~xx~~ the people who ordered/loaned them, but a three month ~~kkkk~~ strike ruins the best laid plans.

I am making a change in Library copying policy--two in fact. First, Orders from NFFF members will receive priority in being filled. Second, I will custom make a reel, but it may take ~~x~~ me six months to do it--custom made reels will be made only when I have a free weekend to do all the work. If all you want is one show or two from a reel, at least order the complete track so that I don't have to hunt for the show--that takes a long time, and ~~xxxxx~~ occasionally I goof. You will get ~~kkkk~~ much ~~x~~ faster service if you ask for all the shows on the same side and track as the show you want.

Gerald Bishop, 10 Marlborough Road, Exeter, EX2 4TJ, England, writes--
Tape Round Robins--Due to a singular lack of response to the forms I
sent out over here (England) & to Americans who had signified their
interest, either on forms sent to me, or in the RR list in Replay, I
will not be starting up any round robins, either internal or inter-
national. However, there might be a chance later.

Gerald has sent me the Supplement to the BSFA Tape Catalog and
A HOWL OF FEEDBACK number 2. If you would like to see either one,
let me know and I will loan it to you. I will want them back.

FROM THE MEMBERS:

Al Jackson, 2700 W 36th, Austin, Tex, 78703 and
Ward Erwin, Box 847, So Lake Tahoe, Calif, 95705

are Bob and Ray collectors and want to here from you if you have
any Bob and Ray shows in among your tapes. Ward also would like to
know ANYTHING about an old radio show during the late 30's called
ORTH BELL AND HIS MYTHICAL RADIO STATION.

Clifton Vickers, PO Box 571, Lake Jackson, Texas, 77566,

Back in 1934-38, some transcriptions were made by W Lee O'Daniels
and his KKKKKkk "Hillbilly Boys" and were played on XEPW, a border
station. He had a singer by the name of Leon Huff. I wonder kkkw
if it would be possible to find any of these old transcriptions. Also
Leon Huff sang with Johnny Lee Wills band out of Tulsa, Okla. I don't
know if Leon Huff ever made a commercial record or not, but I am
very interested in getting some of these old kkkkkkkkkk transcriptions
or records. Can you help?

((Cliff is asking for a friend of his-Red Walker))

Don Livingstone, 8555 Southlands Cres, Chillwack, BC, Canada
Recently bought a new book called THE BIG BROADCAST which purports to be a complete listing and commentary ~~of~~ on all radio programs ever on the air - I ~~x~~ have caught a number of missed programs, how~~ev~~er--no mention of HIGH ADVENTURE or something called THE CROUPIER-- a mystery type show which I heard only last week on a Vancouver station which runs old radio shows each night.

Raleigh E Barker, 5520 West 85th St, Overland Park, KS, 66207
I'm very sorry that I ~~x~~ missed seeing you (Joanne) ~~x~~ more at the Oklahoma City Convention (June 1972). I looked for you on Sat., but didn't realize why you were't ~~Ek~~ there until I got the Replay. I certainly enjoyed seeing and hearing Lam and Abner. They were surely very cooperative and pleasant. At~~x~~ the luncheon Sat. they answered questions and signed autographs for everyone who wanted them, just as they did Friday night. They stayed thru their movie, and then answered questions about it and other things until around 2:45. Their wives were with them for lunch. They also did a routine in the two voices about a letter ~~fr~~ from Elizabeth's niece, including the lines about the girl who 'grew another~~x~~ foot'.

RADIOVOX, 1756 Washtenaw Road, Ypsilanti, Mich, 48197 has published three logs of radio shows that may be of general interest. Log No 1 was THE SHADOW, 1939-54, \$2.25 14 pp, The date of the program, the title, and author of the script are listed. Log No 2, THE GREEN HORNET, 1940-52 and Log No 3, SHERLOCK HOLMES, ~~RK~~ 1930-55, \$4/the pair.

SCIENCE FICTION ON RADIO, compiled by Meade Frierson III, 3705 Woodvale Rd, Birmingham, Alabama 35223, \$1.50, 52 pp, is an in-depth survey of the adult science-fiction radio shows of the past,-- contains logs of the shows, descriptions of the ~~pl~~ots, authors, players, comments. Well worth having if you like to listen to sf radio shows.

The following members have expressed an interest in exchanging tape recorded correspondence. I would suggest an exchange of letters x3 before sending a tape--the person you want to correspond with may be swamped at the moment, or your tapers may not be compatible. I list, Name, address, S if a 3" reel, 3 3/4ips, 2 track tape will work, C if a cassette tape is needed. If I know of kkk the members interests, they will be listed also.
