

G E N T L E F E N

I, Lee Jacobs, being of reasonably unsound mind (since I read science-fiction) and reasonably sound body (since I'm in the Army) hereby declare that I no longer have anything whatsoever to do with an ajayzine known now as The Big O. Complete credit should be given to Les 'n Es Cole after this current issue.

Officials and members please note--this is not a resignation from ajay. Rosters of FAPA and SAPS are not to be decreased by one member. My personalized publications will be in the next mailing of each organization.

Until further notice, mailings and post mailings should be sent to:

Lee Jacobs  
614 Norvell St.  
El Cerrito 8, Calif.

Context by Jacobs; stenciling and mimeoing by:

Frank Kerkhof

SECRET

I, Lee Jackson, being of reasonable memory  
and mind (since I was sane and sober) and reason-  
ably sound body (since I'm in the army) hereby  
testify that I no longer have anything whatsoever

to do with an airplane known as the [redacted]  
[redacted] credit should be given to Lee [redacted]  
after this current leave.
