TREASURY...

As of the fifteenth I have received no Treasury report. I guess we'll have one next time...

PAGES DUE: Bill Gibson ... 5 Gary Labowitz ... 6 Kent McDaniel ... 6
David Mitchell ... 1 Dian Pels ... 6

MEMBER LOST: George Procter, for inactivity

Actually McDaniel and Labowitz should also be dropped, but it seems that they both have good reasons, so I'm pardoning them this time around.

NEW MEMBERS: David Mitchell, Richard Mann, Hank Luttrell, Dian Pels

I'm aware that I broke the rules to let Dian in, but I wanted a girl of some sort in this thing which is too stag. And she comes highly recommended from Dave Hulan. Inreach me...

NEW OR RULING (pay attention, now.): If a person joins the SFPK while a Southern resident, but later on moves away from the South, he retains nominal status as a Southern member, so as not to mess up this quota business too terribly.

Now Dave Hulan can rewrite so it sounds official, but I think you all get the idea.

I apologize (familiar restraint, isn't it?) for the cruddy repro on Locke's zine and mine, but I'm learning... And I can't do much worse.

This mailing is a couple of days late, probably, but it is something of an improvement over two months, and if I had closed it on time, you'd miss half the mailing.

Guess that's it this time.
