DEADLINE for WAITING LIST: October 1, 1975

RULES OF THE SPECTATOR AMATEUR PRESS SOCIETY

/ SAPS /

MEMBERSHIP: Limited to 30 members. Couples may share dual membership, with separate activity/credit requirements and voting rights. One set of dues & mailings.

ACTIVITY: Each member must furnish 6 or more pages of original material (prior circulation will not count toward the members needed page requirements) in any period of two consecutive mailings. 5 of the 6 pages are to be the members own work, and at least 3 pages his own writing. One page of artwork by someone else will count as your own work (a cover, for example). 35 legible, identical copies are required. The deadlines are quarterly. The 15th of January, April, July, and October. **UNLESS** the OE says differently!

Postmailings or premailed zines will not count as creditable pages.

A NEW MEMBER must have at least 6 pages in his/her first mailing.

DUES: \$2 per year, payable before the deadline of your last paid-up mailing, as listed next to your name on the roster. The OE may make special assessments if necessary, or grant free dues when the treasury allows.

WAITING LIST: When no opening exists on the roster, applicants will be placed on the Waiting List. They must pay a \$1 fee to be placed on the list. The \$1 applies on the first years dues, but is not refunded to drop-offs. Waiting Listers receive the SPECTATORS quarterly, and must respond to each issue by card or letter by their deadline (the 1st of January, April, July and October). Upon being invited to join, a Waiting Lister must contribute the remaining \$1 dues and 6 pages minimum activity requirements before the mailing deadline.

Waiting Listers may not put a zine into the mailing, unless that zine is "Franked" with a regular members zine.

Wives/Husbands of members can become "Instant Members" by doing a zine of their own. See Activity Requirements.

CHANGES OF ADDRESS: Under no circumstances should any member expect the OE to look for a COA in zines. Be sure to notify the OE by card, letter, phone call or carrier pigeon if you want the PO to get your mailing to you.

OFFICERS: The Official Editor (OE) is elected in the January mailing and assumes control after the April mailing. The OE does all the work, gets all the blame/glory and makes all the rules. The OEs decisions are final, short of Total Insurrection. The Emergency Officer (EO) is responsible for doing the OEs work in case of emergency. The OE may appoint other officers as needed, and that the President of SAPS is ALWAYS the top winner in the latest Pillar Poll and that all members not holding any other office are automatic Vice Presidents of SAPS.

EXTRA MAILINGS: Are for sale!!! \$1.50 each form the OE. Just write and ask.*

PILLAR POLL: Ballots are distributed with the January mailing and the results are tabulated in the April mailing. One these ballots we elect the next OE and vote points toward the egoboo of our favorite SAP. The SAPSmember with the most points is President of SAPS for the next four mailings.

MORALS: It is I * M * M * O * R * A * L to miss a mailing! It is VERY MORAL to have 6 or more pages in each and every mailing.

CLIFFHANGERS: Are those members that owe pages and/or dues for the next mailing. If they don't get the required pages or dues they become DROPOUTS and are no longer members of SAPS.

* This statement has caused a little trouble. Since someone put in a genzine that back mailings of SAPS were for sale and we have been getting letters and money for sample mailings. And since the waiting listers haven't been buying them I've sold some and have gotten some new names on the waiting list. I shall probably keep this up until the waiting listers want all extra copies.
