World SF Constitution and By-Laws

- I. The name of this organization shall be WORLD SF.
- II. The purpose of this organization shall be to afford a means of communication among all persons and institutions with a professional interest in science fiction, throughout the world.
- III. Invidual membership shall be open to any person anywhere with a professional affiliation to science fiction, including (but not limited to) writers, publishers, editors, critics, historians, librarians, curators, teachers, agents, artists, translators, producers or directors of film or television.
- IV. Invidual membership may not be denied to any person qualified under Paragraph III by reason of nationality, political affiliation, race, sex or religion, nor may membership be whitedrawn from any person for any reason other than failure to pay dues.
- V. Group membership shall be open to any publishing company, producing organization, library, school, writers' union or other professional organization, provided only that some part of its activity shall be devoted to the general areas described in Paragraph III. Member groups shall have no voting rights per se, but each such member group may designate three individuals who will have the right to attend meetings and cast votes on the same basis as individual members. A person designated to cast a vote for a member group may not also vote as an individual member.
- VI. There shall be nine elected officers of WORLDS SF: A President, a Secretary, a Treasurer, and six Trustees, to be elected at each annual World General Meeting to serve until the next. Collectively, they shall comprise the Board of Governors, which shall be empowered to conduct the affairs of World SF between World SF General Meetings. No two Trustees shall be residents of the same country.
- VII. Dues and other fees shall be fixed by the Board of Governors in such amounts as they shall deem proper for each of the categories of membership, and shall be paid in such fashion as they may direct consistent with the constraint imposed by currency regulations. In addition, the Board of Governors shall take such measures as are necessary to insure that World SF does not knowingly contravene the laws of countries from which members come.
- VIII. The final authority on all questions before World SF shall be the World General Meeting, as provided in Paragraph X herein and provided that at least 19 members are present, except that no decision may be taken which contravenes any provision of this constitution and by-laws. An agenda for the business meeting shall be prepared and distributed to all members not less than thirty days before each meeting.
- IX. Amendments to this constitution and by-laws may be made by majority vote of any World General Meeting, provided that all members of World SF shall be notified by mail of any such proposed amendments not less than thirty days before said meeting.
- X. All voting as to amendments to this constitution and by-laws and as to the election of officers shall take place by individual ballots cast at the World General Meeting, provided that members who cannot be present shall be permitted to cast absentee ballots by mail or to designate a proxy. On all other questions, voting shall be limited to members present, provided that any decision may be referred to a mail ballot on request of one quarter of the members present.
- XI. World SF shall publish a directory of all members, and copies shall be furnished to all members without charge.
- XII. World SF shall publish a periodical, in such form and at such intervals as the Board of Governors shall direct, to be distributed by mail to all members without charge. World SF may, at the discretion of the Board of Governors, issue additional publications (e.g., directories, bibliographies, etc.) for distribution to special classes of members, or to non-members, at prices to be fixed by the Board of Governors, provided, however, that any individual member shall have the right to receive any of these publications at the lowest price afforded to any person of institution.

Adopted at Dublin, June 26, 1978

Elizabeth Anne Hull, (outgoing) Executive Secretary (Amerika)

This booklet is the swan song of the outgoing officers of WORLD SF. You will have read of the election of the new team in the first issue of the new WORLD SF BULLETIN. Our best wishes to Frederik Pohl, the new President, and his fellow officers. May they lead the organization to ever greater glories. To date too much of the work of the organization has been in too few hands; those of the undersigned. This leads not only to overwork, but can reflect too narrow a scope. The Board of Governors have met regularly and advised and we thank them for their international wisdom. We hope that they will be as helpful to the incoming officers. May the organization prosper and grow from strength to strength. Its continuing success will fill us with the greatest satisfaction and the knowledge that our founding efforts were not in vain.

Harry Harrison; President
