SUPPLEMENTARY SECRETARY'S REPORT

As you will see from the above address, I have finally moved, after years of trying to get out of London. I merely have the delights of totally rewiring the house and replastering left before I feel the relief of finally putting up enough(?) bookshelves to take my collection and files... So, correspondence for World SF should now be sent direct to Cambridge.

In this mailing are the Directory of Members, the first Newsletter and your new membership card - please make sure you haven't thrown the card into the waste paper basket with the rest of your junk mail...

Also enclosed, where postal weight limits permit, will be a sample copy of *SFBPIB*, as described in my report on p.6 of the newsletter, as an example of what World SF could do.

Could you please check your entry in the Directory, as some of the addresses date from the 1st World SF Writers' Conference in 1976. Any amendments, including full post- or zip codes, should be sent to me as soon as possible.

A list of amendments and new members will appear as a supplement to the Directory with a future newsletter.

The new editor of the newsletter is:

Elizabeth Anne Hull,
1502 Seven Pines Road,
Schaumburg,
IL 60193
United States of America

who will, no doubt, be pleased to receive short articles and letters. The newsletter will also contain further information about the next meeting of World SF, which will be held in Linz, Austria, next September, and I look forward to meeting many of you again there.

Depending on when this reaches you, may I wish you all a Merry Christmas and/or a Happy New Year.

Gerald Bishop, Secretary.
