A  
Christmas Greetings  
from

The purpose of this GREETINGS card  
is to GREET you. When you have  
read it you will have been GREETED.  
(Sounds horrid doesn't it - but  
people do GREET and it is really quite  
nice.) After you have been GREETED  
GREET someone else. Be a GREETER.

A GREETER MAN IN FACT
